Screaming Whites Flail Negroes In St. Augustine

First Lady Has Restful Day At Mackinac Isle

MACKINAC ISLAND (AP) — Mrs. Lyndon B. Johnson had a brief respite Thursday from her duties as First Lady on this car-less island geared to the pace of yesteryear and found it "greatly enchanting."

She rode home from a small private dinner party Thursday night in an open, horse-drawn carriage beneath a full moon. Pausing at the gate of her vacation residence, she listened to a fog horn sounding in the distance over the Straits of Mackinac.

"What a wonderful, enticing sound to go to sleep by," the President's wife commented to neighbor youngsters who gathered for a glimpse of her.

Appointed By Bankers

Mrs. Johnson had little more than 24 hours to relax at this scenic summer resort before returning to Detroit to join the President for a Democratic fund raising dinner tonight.

And, even in the brief private time she had set aside for herself, Mrs. Johnson consented to still another public appearance.

Some 700 Michigan bankers and their wives were attending a convention at the famed Grand Hotel overlooking the waters joining Lakes Michigan and Huron. They invited Mrs. Johnson, the tourist attraction of the moment, to come to their opening night reception.

She did, applauded through entrance corridor and greeted in the terrace room with her inevitable trademark tunes, "The Eyes of Texas" and "Dixie."

The First Lady stayed 35 minutes shaking hands with bankers, many of whom stepped up carrying cocktail glasses through the receiving line.

The President of the Michigan Bankers Association, George Wheel of Flint, said "we were very complimented and honored" to have the First Lady attend.

Likes The Scenery

Mrs. Johnson came to their party wearing an American Beauty red linen sheath dress with an embossed white silk coat as protection against the 48-degree chill night air.

The weather here was brightly sunny and a welcome relief from the 90-degree heat she left in Washington. The island high Thursday was 58 degrees.

Mrs. Johnson's idea of relaxing was to seclude herself for the afternoon in her bedroom suite overlooking the straits. She dictated personal letters into a recording machine, telephoned her two daughters at the White House for a chat, briefly read a popular novel, and just gazed at boats passing by.

"She fell in love with the island the moment she set foot on it," Mrs. Johnson's press secretary, Elizabeth Carpenter, said.

Mrs. Williams Hostess

After dropping in on the traditionally Republican bankers, Mrs. Johnson dined privately with some prominent Democratic women. Mrs. G. Mennen

Berliners Cheer Attorney General Robert Kennedy

LOS ANGELES (AP) — Employees reporting for work at an East Los Angeles office found a hole in the ceiling, the office thoroughly ransacked, and a note reading: "So, solve this one. (Signed) Ace."

The office where the burglary was discovered Thursday was the L. F. Clark Detective Agency.

President May Stay Over In Detroit Tonight

DETROIT (AP) — President Johnson may be Michigan's guest both tonight and Saturday.

The White House left this possibility open in announcing the President's schedule for a Detroit visit on which he will address a \$100-a-plate fund-raising dinner of the Democratic Party tonight in Cobo Hall.

The announced itinerary does not carry the President beyond the Cobo Hall speech. It was reported in Washington he was considering staying overnight and flying from Detroit Saturday to Minneapolis, where he is to address another Democratic dinner that night.

Whether he returns to Washington between the two political speeches is expected to be influenced by developments in the Mississippi racial situation.

Mrs. Johnson, who addressed the American Home Economics Assn. in Detroit Wednesday night, was due to join her husband for his Detroit sojourn.

Mrs. Johnson was due to fly in from Mackinac Island, where she spent Thursday and this morning relaxing, about the time the President arrives from Washington.

Democrats, meanwhile, were drumming up what they hope will be a big downtown welcome for Johnson, whose nomination as their standard bearer in the November election is anticipated.

Authorities put their final touches on security arrangements, with the City of Detroit assigning 490 uniformed policemen and 90 plainclothes detectives to work with Secret Service agents. State Police and the Wayne County sheriff's department were to augment this force.

The President is due to leave the White House by helicopter at 4:15 p.m. Detroit time for Andrews Air Force Base, where 15 minutes later he boards a jet airliner for Detroit Metropolitan Airport.

His estimated arrival time here is 5:45 p.m., EST. No reception is planned at the airport, from which the President is scheduled to be whisked downtown by motorcade.

Johnson is slated to attend a Thousand Club reception at the hotel at 6:30 p.m. This club is made up of those who have donated \$1,000 to the Democratic Party's campaign chest.

The \$100-a-plate dinner begins at 8 p.m.

Hundreds Hunt Rights Trio In Muddy Swamps

PHILADELPHIA, Miss. (AP) — Presidential fact-finder Allen Dulles says he doesn't see "any likely explosion" in this Deep South state over the baffling disappearance of three civil rights workers.

U.S. sailors joined state and federal officers again today to comb this east-central Mississippi area for any clues to the trio, missing since last Sunday.

President Johnson ordered the sailors from the nearby Meridian Naval Air Auxiliary Station to join the search late Thursday. One hundred sailors teamed with FBI agents and Mississippi highway patrolmen to wallow knee-deep in mud through snake-infested swamps. Another 100 sailors were on standby duty at their base.

Michael Schwerner, 24, and Andrew Goodman, 21, both of New York City, and James Chaney, 22, a Meridian Negro, were last seen Sunday night when released from jail here after paying a speeding fine.

The only clue to their mysterious disappearance was the finding Tuesday of their burned-out

station wagon 17 miles north-east of Philadelphia.

At Meridian, James Farmer, national director of the Congress of Racial Equality, expressed concern about the nature and progress of the investigation.

He said he felt protection was required for other civil rights workers throughout the state — "that's why we called for marshals."

"No one asked for a special number," Farmer said. "Just to have marshals around would be a great deterrent factor to violence."

The White House first announced that 200 Marines would join the search but later said the report was "inadvertently inaccurate" and only sailors from the Meridian base would be used.

The erroneous report that Marines would be used stirred resentment among some Mississippi members of Congress, including Rep. John Bell Williams, who said the President bowed to "left-wing racial agitators."

Civil Rights March Brings Race Violence

ST. AUGUSTINE, Fla. (AP) — Gov. Farris Bryant flew to St. Augustine today for an inspection of a racial revolt situation reaching a new height of violence.

A screaming mob of hundreds of whites attacked civil rights marchers Thursday night and the integration leader, Dr. Martin Luther King, said only the refusal of Negroes to retaliate "saved the city from a bloody night of terror."

In flying to St. Augustine, Bryant bypassed a federal court hearing at Jacksonville, where he had been ordered to appear to show cause why he should not be held in contempt.

U.S. Dist. Judge Bryan Simpson had issued the order after Bryant placed a ban on night demonstrations at St. Augustine. The judge had held previously that such a ban violated freedom of speech and assembly.

Only 10 Arrested

The governor went to National Guard headquarters here to set up an office for conferences with community leaders. He did not say whether he would talk with King's forces.

About 30 persons were treated or examined at a hospital, and one was admitted for a rib fracture, after Thursday night's assaults.

Two Negroes and eight whites were arrested.

King said that he appealed to the White House for help at the height of Thursday night's melee and was assured the matter would be investigated. He frequently has called for federal marshals' protection.

For the first time in three weeks of almost daily confrontations, State Police were openly threatened. On at least two occasions, angry whites surrounded isolated groups of state troopers and tried to seize Negro prisoners.

The Negro parade moved into the downtown square exactly like others which have been held. The proposed route went around the side of the square in which at least 200 whites were holding a segregation rally.

Paraders Flee

When the Negro column approached, the whites burst through police lines and into the marchers with fists. Some of the Negroes were hit; some of the whites were clubbed by police and arrested.

The parade disintegrated and never reformed. Remnants of the march continued around the square with whites attacking again and again. Finally, the march turned into a rout. The Negroes ran toward their section of town, pursued by screaming whites who would hit once or twice, and race on.

The marchers struggled back to their starting point with some near hysteria.

King said that some were ready to get guns and return to the scene of the downtown riot.

Pet Pup Mailed In Hollywood

HOLLYWOOD (AP) — Gale Gilmore isn't sure how it happened.

She walked up to a Sunset Strip mailbox Thursday with a package to mail in one hand and her black and white mongrel puppy, Snipper, in the other.

"I got confused," she said. And she mailed the dog.

Gale, 21, blonde, and an actress, called the dog and cried. Someone else called the newspapers. A passerby called the post office.

"The postal authorities came," Miss Gilmore explained later. "A man in a uniform with a key. He opened the box, and there was Snipper, right down in the bottom. Some lady had dropped a letter on his head."

Snipper emerged without so much as a postmark, and Miss Gilmore got nothing more than a hard look from the postal authorities.

"If this was a Hollywood publicity stunt," said one, "it's the first time in Hollywood history that anyone has mailed a dog."

Skater Saved From Killer By Chimpanzee

KALAMAZOO (AP) — The FBI said Thursday a Chicago entertainer credited his pet chimpanzee with saving him from death at the hands of accused slayer Larry Lee Raney.

Raney, 19, of Kalamazoo, is charged here in the Memorial Day hitch-hike murder of Gary Albert Smock, 30-year-old Plymouth school teacher and church worker.

Raney, who police said has confessed to four other slayings is awaiting a sanity hearing in Kalamazoo.

Hiker Picked Up

David Pitts, 28, a professional ice skater who uses his chimp, Spanky, in his act, said Raney held him prisoner for 17 hours on May 26 after he picked up the hitch-hiking youth near Las Vegas, Nev.

"Raney threatened to kill me several times," Pitts said. "But he said if he killed me, he wouldn't know what to do with the chimp."

"I don't think he wanted to hurt the animal," Pitts told state police and FBI agents he was driving from Los Angeles to Chicago when he stopped for Raney on the highway. On the way, he said, the youth forced him at gunpoint to drive to South Haven, Mich.

Luggage Is Clue

Pitts was ordered to spend part of the trip in the cage with the chimp, he said.

At South Haven, Raney stole some of his luggage and left. Pitts said. He said the youth threatened to kill him if Pitts reported the incident within two weeks.

The FBI contacted Pitts when some of his luggage was found in Raney's room after the youth confessed the Smock slaying to a friend who called police.

Raney was arrested June 5. Pitts said Raney told him he had "committed about every sin in the book," but he did not mention any of the murders to which he later confessed.

Pitts said he picked up the hitch-hiker out of a "sense of duty" because another motorist had earlier assisted the skater when he had trouble with his car.

Gov. Scranton In Michigan To Win Delegates

LANSING, Mich. (AP) — William W. Scranton hoped today to put some 45 Michigan delegates on ice for second-ballot support of the Pennsylvania governor's presidential nomination at next month's San Francisco GOP convention.

Scranton squeezed more than 28 hours of Michigan campaigning into his drive to overtake front-runner Sen. Barry Goldwater, R-Ariz., who holds a commanding lead in delegate strength.

Though three Michigan delegates were counted to Goldwater, the rest of the 48-member delegation are following the favorite-son lead of Gov. George W. Romney to the first ballot.

Scranton told a news conference Thursday night indications were in Michigan "that we're in a very favorable position."

The schedule for Scranton's Michigan visit included a swing to Detroit to address the Detroit Press Club, then a return to Lansing for an evening meeting with Michigan delegates. The governor planned to leave Lansing at 9:20 p.m. for Harrisburg.

HITS RIGHT NOTE

LANSING (AP) — Pennsylvania Gov. William W. Scranton, out to win the hearts of Michigan Republicans, struck a sympathetic chord Thursday night—legislative apportionment.

"There's a real reason for apportioning one house of a state legislature on some basis other than on a one man-one vote (strict population) basis,"

Nitrate Truck Blast Kills 6

MARSHALLS CREEK, Pa. (AP) — A truck loaded with ammonium nitrate caught fire and exploded early today in this Pocono Mountain resort area, killing at least six persons and injuring some 10 others.

The blast, which left a crater 10 feet deep and at least 30 feet wide, eyewitnesses said, leveled the Pocono reptile farm and scattered dangerous snakes in the area.

The driver of the truck, Albert Kuda, of Port Carbon, Pa., working for American Cyanamid Co., Pottsville, Pa., told state police he had a flat tire which caught fire on Route 209 some three miles from here and he went to call for help.

Three fire trucks from the volunteer Marshalls Creek fire station responded to the call and arrived just as the truck exploded, fire officials said.

All three trucks were destroyed in the blast and three firemen killed. Kuda was not injured.

Firemen at the scene, along with local and state police, tracked down and killed rattlesnakes, copperheads and cobras freed by the blast.

Windows were blown out in homes as far away as Stroudsburg, 10 miles away.

Homes in the immediate vicinity were shattered, doors blown off and windows knocked out.

Cafe Argument Gunshot Kills Rochester Man

MOUNT CLEMENS (AP) — Ray Houck, 20, of Rochester, died in a hospital here Thursday of a bullet wound suffered June 13 in an argument at a restaurant.

Police quoted Kenneth D. Tubbs, 33, of Avon Township, as saying he shot Houck with a target pistol when Houck threatened him with a beer bottle following a minor auto collision.

Tubbs is free on \$5,000 bond on a charge of assault with intent to commit murder.

Lake Superior Gives Water To Lake Michigan

WASHINGTON (AP) — The International Joint Commission has agreed to release an extra 10,000 cubic feet of water a second from Lake Superior into Lakes Huron and Michigan, Sen. Philip A. Hart, D-Mich., reported Thursday.

The water levels of Lakes Huron and Michigan, Hart said, have been at record lows, ranging from nine to 14 inches below normal.

Under the action of the commission, representing the United States and Canada, the water would be released through the canal at Sault Ste. Marie.

Hart said the commission decided to release the extra water from Lake Superior for a period of six months. It is expected this

would lower the level of Lake Superior by two-tenths of a foot and increase the level of Lakes Huron and Michigan by one-tenth of a foot.

Hart said Lake Superior is at about the normal water level now. The decision by the commission is expected to go into effect within a few days.

The agreement is based upon the supposition, Hart said, that the inflow of water into Lake Superior will continue at a normal rate. If it should be less, he said, the drain of water from Lake Superior would be curtailed.

Hart said the low water levels in Lakes Huron and Michigan has upset shipping, community water supplies, boating and recreation.

Baby Kidnaping Suspect Weeps

MADISON, Wis. (AP) — A mental examination at a federal hospital was ordered Thursday for Margaret Ruth Converse, a 19-year-old blonde, who broke into tears when brought before a U.S. district judge on a charge of kidnaping an infant girl Monday night.

The child, 3-month-old Kimberly Jo Wulf, was returned unharmed to her parents, Mr. and Mrs. Shirley Wulf of Beloit, following Miss Converse's arrest Thursday in Beloit with the baby in her arms.

Judge David Rabinovitch committed Miss Converse to the Federal Bureau of Prisons for a 90 day examination.

A sanity petition had been filed by her court-appointed attorney, Robert Kay, who said his client could offer no explanation of why she had taken Kimberly Jo from a bed in the Wulf home.

Authorities said Miss Converse, whose parents live on a tenant farm near Beloit, has had no permanent address in recent years. However, she lived for a time at Jackson, Mich., where she gave up two illegitimate children—the latest born at Adrian in 1963. The FBI at Detroit said she had been in Michigan last April seeking to regain custody of one child.

Helen Keller, 84, Gives Up Writing

EASTON, Conn. (AP) — Helen Keller, who will be 84 Saturday, is a woman of "great dignity who is just growing old with grace."

So reports a frequent caller at the country home of the blind and deaf author.

Miss Keller has given up writing and lectures. She refuses to receive reporters and photographers. Old friends and relatives call often at her white clapboard house for a chat.

Today's Chuckle

The modern girl wears just as many clothes as her grandmother did—but not all at once.

New Name For Deltans

Schweigert Will Run For Senate

State Senator Thomas F. Schweigert (R-Petoskey) has announced that he will be a candidate for re-election to a third term. He will run in the new 37th District, which comprises the counties of Alger, Alpena, Antrim, Charlevoix, Cheboygan, Chippewa, Delta, Emmet, Luce, Mackinac, Montmorency, Otsego, Presque Isle, and Schoolcraft.

Senator Schweigert is chairman of the Committee on State Affairs and serves as a member of the Committees on Conservation, Education, and Tourist Industry Relations. He has been designated to attend the national legislative leaders conference at Atlantic City in September.

"My experience over the past four years has equipped me with the background necessary to meet the challenges of the future," Schweigert said. "I particularly would like to continue with the work started in re-aligning the some 147 separate agencies of the executive branch of State Government within no more than 20 principal departments as required by the 1963 Constitution," he commented.

Senator Schweigert, 46, is married and the father of three teen-age sons. He is a graduate of Michigan State University and is self-employed as a practicing forester and land surveyor.

Already indicated or announced as his opponents for the Republican nomination in the new 37th District which includes 6 counties in the Upper Peninsula and 8 in the Lower

Thomas F. Schweigert

Peninsula are incumbent Senator Kent T. Lundgren of Menominee, now serving in the old 30th District, and former Mayor Harold T. Vanlerberghe of Escanaba.

The old 30th Senatorial District was difficult to campaign in because it stretched from the Wisconsin border to Canada and included Sugar Island, but the new district is much more difficult, because it is almost as long in the Upper Peninsula and now includes a large Lower Peninsula area. It is nearly 200 miles from Vanlerberghe's home in Escanaba to Schweigert's home in Petoskey and there are voters all the way in a district with 205,265 population.

Obituary

JOHN MARTINSON

Funeral services for John Martinson were held Thursday at 2 p. m. at the Alto Funeral Home Chapel with the Rev. Walfred Nelson of Bethany Lutheran Church officiating. Burial was in South Ford River Cemetery. Pallbearers were Elmer Jacobson, Neils Watts and Arvin, Fred, Ode and John Peterson.

Death Claims Island Pioneer

Mrs. Carl Richter, member of a pioneer Washington Island family, and one of the oldest residents of the Island, died Thursday at 4:45 p. m. at the home of her daughter, Mrs. Herman Leisum in Sturgeon Bay.

She was born on Washington Island and spent her entire life there. She was a member of the Lutheran Church. Her husband died two years ago.

She leaves two daughters, Mrs. Leisum, the former Margaret Richter, and Mrs. William (Estelle) Edwards, Denver, two sons, Paul Richter of Escanaba and Arni Richter, Washington Island, and one brother, Magnus Goodman of St. Ignace.

Funeral services will be held Monday at 2 p. m. at the Washington Island Lutheran Church and burial will be there.

Northern Grads Get Mott Help In Degree Work

MARQUETTE — Five \$5,000 Mott Foundation fellowships leading to a master's degree in education at Northern Michigan University have been awarded to five students associated with Northern.

Candidates in the program, the first of its kind offered by the Mott Foundation, include Jack R. Berry, Vulcan, a '64 graduate of Northern; Allan Dighera, Negaunee, a '61 graduate of Northern; Richard Korpi, Bessemer, a '64 graduate of Northern; Richard Yenchski, Wausaukee, doing graduate work at Northern; and Jim Chiardi, Gwinn, a '64 graduate of Northern.

As one of the seven state universities participating in the plan, Northern has one of the largest representations. Besides Northern, there are five candidates from Western Michigan University, four from Central Michigan University, three from Eastern Michigan University, three from Wayne State University, and two each from the University of Michigan and Michigan State University.

The doctoral candidates are taking their degrees from MSU, U-M and Wayne.

EWALD R. NELSON 616 N. 18th St., is retiring after 37 years of service with the Escanaba & Lake Superior Railroad. He began service with the line as a blacksmith helper April 15, 1926, started engine service as a fireman June 1, 1927 and was promoted to engineer on Feb. 10, 1946. He made the first run on an E&LS diesel when the road changed from steam power. Nelson is pictured, at left, receiving a retirement gift from Guy W. Knutson, general manager of the E&LS. July Fourth Program Set

A tentative program of events at Ludington Park on the Fourth of July was announced this morning by Paul Vardigan, City Recreation Director.

Races and contests will be held near the tennis courts beginning at 1:30 p. m. Boys and girls 6 to 13 years of age will be eligible to compete. Prizes will be awarded to winners, runnersup, and third place finishers. Events will range from 25 yard races to ping-pong ball and football throwing.

The 14th annual baby contest will open with registration at 2 and the judging taking place at 2:30. This feature event will be held at the Karas Memorial Band Shell.

The baby contest is open to all babies 2 through 5 years of age whose parents have been residents of Delta County since the first of the year or longer. Contestants will be judged on beauty, personality and poise. Prizes donated by the Fair Store and the S. S. Kresge Co. will be awarded to first, second, and third place winners in both the boys and girls divisions. Judging will be done under the supervision of Mrs. John Sankovitch with the help of her committee.

The Escanaba City Band, directed by Cecil Collins, will present a concert beginning at 7:30 p. m. The day's activities will be highlighted by the traditional fireworks display with the first flashes scheduled to light the sky at about 9:15. This part of the program will be directed by Francis Lueneburg of the staff of the recreation department.

Fire Truck

SAWYER AFB — The base fire department here received a new truck this week from Second Air Force, Barksdale Air Force Base, La. The truck, largest in the Air Force inventory, is capable of discharging its full load of 2,500 gallons of extinguisher in two minutes. Its gross weight is 66,000 pounds loaded. It is powered by twin 340 horsepower engines and has the ability to attain 55 mph in 50 seconds.

Data For Industry

Timber Resource Being Surveyed

A new measurement of Michigan's timber resources is now underway in the Upper Peninsula. Aerial photo interpretation is being done at Ironwood, according to M. B. Dickerman, director of the Lake States Forest Experiment Station, St. Paul.

Information derived from this new survey will replace that which was published during the 1950's, following the Experiment Station's second survey of Michigan's timber resources. As the forests change, new information is needed to help landowners and forest industries plan their future programs. Survey statistics help prospective industries decide where they should build their plants.

The first stage of the survey involves a study of new aerial photos to determine the area of the various forest cover types and stand-size classes. Most of this work will be done by Richard Groff, research forester, at the U. S. Forest Service headquarters in Ironwood and at the Experiment Station's Northern Hardwood Laboratory at Marquette.

The project is being supervised by Clarence D. Chase, who is in charge of the forestry survey in 13 states. Chase says 10 other employees of the Experiment Station will begin field work early in July. Permanent or temporary plots will be established on forest land at some of the sample points now being located on aerial photos.

The survey party will begin in the western end of the Upper Peninsula, using aerial photographs provided by the Ottawa National Forest, Baraga County, and the Rural Area Development. Next spring it will move into the eastern Upper Peninsula and later into the Lower Peninsula. Some of the inventory work will also be done by National Forest and Michigan Department of Conservation foresters.

Later stages of the survey include a statewide woods residue study, a statewide canvass of primary woodusing industries, computation and compilation of statistics, analysis, and the publication of forest resource information. Before the job is completed, about 22 state and local reports will be published.

The Forest Survey is authorized and financed by Congress to provide basic timber resource statistics for each state.

More people get more news from newspapers than from all other sources combined.

New Pastor At Bark River

Rev. and Mrs. Walter Nordin and family have moved from Ramsay to Bark River, where Rev. Nordin will assume pastoral duties at the Bark River Bible Church. Rev. Nordin was pastor of the Riverside Bible Church in Ramsay for the past eight years.

A native of Iron River, Rev. Nordin graduated from Iron River High School and studied at Iron County Business College before enlisting in the United States Air Force. He was assigned as navigator on a B-17 and was stationed in Italy where he flew 35 missions over enemy territory. He holds the Air Medal with oak leaf clusters and the distinguished flying cross. He was separated from the service in 1945 and returned to Iron River and was employed by the M. A. Hanna Co. in the mining laboratory.

Rev. Nordin graduated from Northwestern College in Minneapolis in 1952, at that time Rev. Billy Graham was president of the college. After graduation he continued his studies at Northwestern Seminary.

His first pastorate was at Northland Gospel Mission in Berglund and Verona.

Mrs. Nordin, the former Agnes Knickerbocker of Ontonagon, is a graduate of the Moody Bible Institute in Chicago where she completed general Bible and music courses. While in Chicago she was heard on live broadcasts over WMBL, the Moody Bible Institute Radio Station.

The Nordins have four children, Nathan, a student at LeTourneau College in Longview, Texas; Nancy, entering the 10th grade this fall; Linda, 10 and Paul, 7. Another boy, Walter, is a foster child in their home.

Both Rev. and Mrs. Nordin have been associated with the Blessed Hope Bible Camp for many years. Rev. Nordin has been the camp director for four years.

The Bark River Bible Church is associated with the Independent Fundamental Churches of America and in the Upper Peninsula is associated with the Community Bible Chapel of Norway, the Northland Gospel Mission of Iron River and

Rev. Walter Nordin the Riverside Church in Ramsay.

The Bark River Bible Church began in 1956 with Rev. Robert Peterson as pastor. He was succeeded by Rev. William Taylor who resigned in 1963.

Escanaba Counts Benefits

430,000 Tons Of Coal Needed By U.P. Power Units

Increasing demands for electricity in the territory served by the Upper Peninsula Power Co., accounts for the record-breaking supply of coal to be required this year by the utility, says President R. F. Hoyer.

Some 430,000 tons of coal, enough to heat over 30,000 average homes for a season, have been ordered for use this year in the steam electric generating plants which the company owns or operates.

Stockpiling of the coal, which represents an investment of over \$3,800,000 will take place at the plant sites at Escanaba, Marquette and L'Anse. This huge tonnage of fuel coming into the area provides employment not only in the coal producing regions, said Hoyer, but also for people in the Upper Peninsula involved in the shipping and handling.

About 60 lake vessels will be needed to move the coal from southern Great Lakes ports to U.P. docks and over 7,000 railroad cars will move over the Soo Line hauling coal to the John H. Warden Station at L'Anse, the Lake Superior & Ishpeming Railroad for the Presque Isle Station at Marquette and the Escanaba & Lake Superior Railroad for the Escanaba station.

These shipments involve local men and facilities to handle the coal from boats to railroad after it is delivered to the docks of the Marquette Dock Co., Portage Coal & Dock Co., near Houghton, and the Escanaba Coal & Dock Co.

Since a large quantity of the coal is held in storage it also benefits the community because of tax revenues, Hoyer said.

Merchants Plan Window Displays For Ore Fete

Windows of Escanaba retail establishments will be decorated to tie in with the Ore Centennial Celebration July 11 honoring the Chicago & North Western Railway, retailers meeting at the House of Ludington decided Thursday. Wesley Hansen, general chairman of the celebration, and City Clerk Don Guindon met with the group to ask for their cooperation in providing special displays keyed to the event.

Displays will be keyed to railroading, mining and ore shipping and will lend atmosphere to the event which will pay tribute to two industries which have played such an important part in the development of Escanaba and Delta County. All retailers will be asked to cooperate by providing special window displays, the Chamber of Commerce announced.

School Budget Given To Public

The Escanaba Area School District budget for the 1964-65 school year was reviewed at a public meeting at the school office in the Webster Annex Thursday night with 8 representatives of the public attending and an equal number of school board members and administrators.

Both the Delta County Taxpayers Association and the new Active Citizens for Education were represented. Spokesmen for the former group asked why teacher salaries had been increased so much in the new budget and said that a teacher group reported last year that Escanaba Area salaries were only \$150 a year below those for comparable cities.

Supt. Walter Bright explained that there are 119 school districts in Michigan with starting salaries of \$5,000 and that Escanaba's is \$4,800, which makes it difficult to compete for teachers. Clarence Zerbel, school business manager, cited a Wells teacher in Green Bay who wanted to transfer here, but who would have to take a cut of more than \$500 a year to do so.

It was explained that the \$1,621,634 budget is \$224,199 over last year's, and also over the prospective revenues for the year even with voting of the 4 mills extra for operation proposed in an election to be held Sept. 1.

Some of the budget items will be once only items, but others will continue. The enlarged bus transportation service will be an extra and continuing expense. The district plans to replace 5 buses and to add 3 this year.

Dr. Vernon Johnson said that good schools would be an aid to community support; that it is difficult to attract industry without them.

Roger Carlson Of Munising Is Taken By Death

MANISTIQUE — Roger J. (Mickey) Carlson, 58, died suddenly at his home in Munising Wednesday night.

He was born in Manistique Oct. 9, 1905 and in 1927 moved to Munising, where he was a building contractor.

Surviving are his wife, Mae, two sons, John and Roger, Jr., at home; four sisters, Mrs. Irene Skovik, Chicago; Mrs. John Ott, Manistique; Mrs. William Weiland, Detroit; and Mrs. Viola Steele, Fair Haven, Vt.; three brothers, Harold, Oliver and Evald Mickelson, all of Manistique, and his stepfather, Isaac Mickelson of Manistique.

Funeral services will be held at 3 p. m. Saturday from the Bowerman - Hallifax Funeral Home, Munising with the Rev. Knut Savareid of Marquette officiating.

More Witnesses Called To Fight Soo's Petition

Eight witnesses testified Wednesday at the Interstate Commerce Commerce hearing being conducted in Marquette on a Soo Line application for joint trackage rights.

Five of the witnesses were from this area. They included: Milton Ericson, Marquette, general chairman of the Brotherhood of Locomotive Firemen & Engineers for the Lake Superior & Ishpeming Railroad, called by Robert C. Pitsch, Lansing, of the B of L & E; Thomas McNabb, Ishpeming city manager called by Ishpeming City Attorney Edmund J. Thomas.

Everett H. Kent, Marquette city clerk, called by Marquette City Attorney Waldo A. McCrea.

Roland Lindeblad, assistant superintendent of the Marquette Light & Power Department, called by McCrea.

Clarence Magoon, chairman of the Soo Line local of the South Shore Railway Employees Association, called by McCrea.

Other witnesses were: R. G. McCarthy, Green Bay, assistant traffic manager for the Chicago & North Western Railway Co. C&NW Attorney John C. Danielson of Chicago.

Robert T. White, Green Bay, Wisconsin region traffic manager for the Milwaukee Road, called by Milwaukee Road attorney Phillip M. Hackbarth of Chicago.

B. Firestone, Chicago, treasurer of the Northwestern, called by Danielson.

All of the witnesses represented organizations or cities which oppose the Soo Line's application for joint use of the L&S trackage from Marquette to Eben.

Largest library in the United States is the Library of Congress, which contains more than 12 million books.

LEONARD M. Chigi, 21, son of Mr. and Mrs. Mario Chigi, 508 S. 9th St., recently began a four - month management training program with the S.S. Kresge Co. in Wausau, Wis., to prepare for junior assistant manager's duties in Detroit at the end of that time. A 1960 graduate of Holy Name High School, he received his Bachelor of Science degree from St. Mary's College, Winona, Minn.

Commander's Son Has Appointment

SAWYER AFB — Michael Oholendt, 18, son of Col. and Mrs. Gene F. Oholendt, base commander here, has received an appointment to the U.S. Naval Academy, Annapolis, Md. He will begin studies with the class to graduate in 1968. Michael, who arrived here with his parents a year ago, recently graduated from Gwin High School. The Oholendts list North Little Rock, Ark., as their home address.

Charles Clare Dies In Detroit

MANISTIQUE — Charles Clare, 70, of Detroit, a former Cadillac Motor Co. foreman, died suddenly at 4 p. m. Thursday in his home.

Survivors are his wife, the former Margaret Bodette of Escanaba, a son, Kenneth, of Newberry; three daughters, Mrs. Elmer Johnson and Mrs. Neil Hustko, Detroit and Mrs. Joseph Brickner, California; a brother, August, Richmond, Calif.; four sisters; Mrs. Myrtle Williams and Mrs. Ray Youmans of Detroit; Mrs. Leo McCloskey, Houghton; and Mrs. Roy Jones of Manistique.

Funeral services tentatively are scheduled Monday in St. Gregory's Church, Newberry with the Beaulieu Funeral Home in charge.

Guidance Fault Delays Rocket

CAPE KENNEDY, Fla. (AP) — Guidance system trouble today forced a second straight postponement of an attempt to launch the high - energy Atlas-Centaur rocket on its third test flight.

The countdown on the 112-foot-tall rocket had progressed to two hours before the scheduled 9 a.m. liftoff when the problem cropped up. No new launching date was set immediately.

Ironwood Demo Candidate

Albert To Run For Congress

Theodore G. Albert, Ironwood attorney today announced his candidacy for Congress in the new 11th District. Previous notice of his announcement was indicated after a meeting of the Gogebic Democratic Committee, on June 6 endorsed his candidacy.

Albert will be opposed for the Democratic nomination in the 11th District by Raymond Clevenger, Sault Ste. Marie attorney and former state securities commissioner, and by Russell Bradley of Menominee, the Menominee County prosecutor.

Albert said "This is a new congressional district, but its problems are old, recurrent and unresolved. Unless there is a new and vitalized leadership at the congressional helm, we can expect no more than what the district has obtained in the last 15 to 20 years. New leadership will bring a new hope, a new look and positive direction."

In Minnesota, an area quite comparable to ours, the combination of Blatnik, Humphrey and McCarthy have done something about their problems and there is no reason or excuse for our not doing the same.

"I have definite and positive ideas of the role of a congressman. There is hardly a right or a need that cannot be answered and resolved by legislation. A congressman must be ever aware of the needs of his district and how these needs can be answered in fairness to his constituents."

Albert has been a lifelong resident of Gogebic County, and is a graduate of the Luther L. Wright High School and Gogebic Community College. He received his A. B. degree from the University of Wisconsin, with majors in history and French, in 1939, was graduated from the University of Wisconsin Law School in 1942. Following graduation, he served as a compliance analyst and investigator for the War Production Board. After "a short stint" in the Navy, he served as an employment counselor for the U. S. Employment Service, in Ironwood, and later served as the area rent representative and attorney for the Office of Price Administration. Albert passed the Michigan State Bar examination and he has since been in public and private practice of law in Ironwood. In the fall of 1948, he was elected prosecuting attorney of Gogebic County, and served for four terms. He is serving as a Circuit Court Commissioner for Gogebic County.

Albert is married, has three children, ages 22, 19 and 17. He is a Legionnaire and Moose.

Ensign 4-H Tours Press

Twenty children, ages 9 to 15, and five adults of the Ensign 4-H Club visited the Escanaba Daily Press Thursday to observe a newspaper at work. Accompanying the group on their trip, a part of the 4-H club calendar, were the leaders, Mesdames Lloyd Sundberg, W. Pagnich, Bert Sigfrieds, and Bertil Gustafson.

The field day also took them on a tour of the paper mill and luncheoning at Pioneer Trail Park, cooking their own meal outdoors, another part of the club's projects.

A bake sale, sponsored by the club to raise funds for its projects, will be held Saturday, June 27, at Majestic's IGA Store in Ensign.

Buy and sell the classified way.

Mrs. Gasman Dies In Florida

Mrs. Alice Frances Gasman, 74, of 319 Sea Breeze Blvd., Daytona Beach, Fla., widow of John Gasman Jr., died Thursday at 10:15 a. m. at her home.

Mrs. Gasman was born Feb. 23, 1890, in Wilson and her marriage to Mr. Gasman took place Dec. 10, 1910. He died May 13, 1941, and a son, Harvey, also preceded her in death.

She leaves two daughters, Mrs. Joseph (Eileen) Coplan, Escanaba, and Mrs. H. B. (Betty) Frederick, Ormond Beach, Fla., one son, Wallace M., Escanaba, 16 grandchildren and four great grandchildren, and three sisters, Mrs. Margaret McNeely, Daytona Beach, Mrs. John Kasbohm, Escanaba, and Mrs. Ethel Williams, Oak Hills, Fla.

The body will be at the Anderson Funeral Home where friends may call from 3 to 9:30 p. m. Sunday. Complete services will be held at the Anderson chapel Monday at 2 p. m. The Rev. Karl J. Hammar, pastor emeritus of Central Methodist Church, will officiate. Burial will be in Bark River Cemetery.

Bible School

SAWYER AFB—A total of 630 children were enrolled in the Protestant Vacation Bible School at the Lee P. MacDonald elementary school building, reports Chaplain (Capt.) Arthur Erickson, an increase of nearly 100 over last year. About 80 teachers and adult workers have volunteered their service each day to the school.

Personals

Mrs. Ben Shandonay, 625 N. 16th St., has returned from a two week vacation visit in Miami Beach and other points of interest in Florida.

"Just 7 bucks* a month more for a Chrysler than for a Ford or Chevy? You've got to be kidding!"

"Nope. Just bought one."

No "ifs," "ands," or "buts" about it! We've got the figures to prove it! This big, beautiful Chrysler Newport is priced less than \$7 a month more than a comparably equipped Ford Galaxie 500 or Chevy Impala.

We're not talking about a stripped-down Chrysler. We're talking about a full-size Chrysler. With a 361-cubic-inch V-8 engine. Power steering. Power brakes. Automatic transmission. Radio. Heater. The works! Everything you want on a big car.

Still skeptical? Come in. Talk price. We'll convince you.

*Payments based on manufacturer's suggested retail prices of 4-door sedans, 1/2 down, 36 monthly payments. Excluding destination charges, state and local taxes, interest and insurance.

Wells Curtails Plant Work

Samuel A. Wells, president of J. W. Wells Lumber Co., at Menominee announced a curtailment of operations.

In a notice to all employees, Wells said, "as soon as all of our dry flooring stock has been run through the flooring machines, this plant will cease operations for the purpose of re-adjusting the flooring inventory by sales and shipments."

Some labor will be employed to remanufacture certain items and run end to end flooring, both edge and flat grain. Shipping crews will be maintained as well as watchmen services," Wells said.

J. W. Wells Lumber Co. was first constructed in 1910 and the company operated a sawmill and flooring mill until the disastrous million dollar fire in 1931.

The flooring plant and a sawmill were rebuilt by the company after the fire and operations were resumed although not with the great pine lumber production it maintained before the fire.

WANTED Electricians

Experienced in new construction, industrial maintenance, house wiring, commercial and industrial modernization or electric sign work. Work rate \$1.17 per hour plus vacation, plus medical and hospital benefits plus pension fund, 40 hour week. Steady employment. You do not need to be a labor union member to qualify. Send letter listing employers, personal history and work experience to Box 850, care of Daily Press.

Monopole 5-STAR Fine Aged BRANDY

Monopole tastes better when brandy tastes best... after a satisfying meal or a brisk walk outdoors... with a good smoke, with good talk, with good friends... or whenever you're having fun! Monopole is a smooth, mellow, light brandy subtle in fragrance and taste... and, for a fine longer-aged brandy, very modestly priced.

Signs And Symbols

"Here once the embattled farmers stood
And fired the shot heard 'round the world..."

It has been the American tradition to suffer injury up to a point and then to get down Old Betsy off the antlers over the fireplace and let the varmints have it right in the britches. In the case of Emerson's lines it was the British Redcoats at Concord.

With Mrs. Christina Lorenz of Germfask it was a highway department crew that came to take down the gasoline and grocery store signs in front of the little business that she and her husband, Fred, operate on M-77 north of Blaney Park.

Mrs. Lorenz has both a college schooling and dander and this can be an explosive combination and it was on Wednesday, June 17 when the highway crew came by to clear the right-of-way. Their work was progressing in an atmosphere of owner irritation but no hostility until Lorenz heard his wife say "Don't move from where you are," or some such thing, and he turned about to see her pointing a .22 caliber rifle at a highway truck. The gun was unloaded, he said, but rifles end arguments immediately. It wasn't resumed until the road workers could get to the law officers and have Mrs. Lorenz arrested.

She was fined \$50 in Manistique but decided that she'd be dad-swummed if she'd pay. She'd go to jail instead and that's what she did. It was a matter of principle with her and she would have been admitting her guilt in her own mind if she had paid the fine. She knows that she erred in threatening the road workers with a rifle. This is a serious offense and not to be excused away by good intentions and after the fact explanations and using an empty gun. Too many men are dead from such incidents to excuse them lightly.

Mrs. Lorenz has been injudicious and it taints the fine vigor of her protest against the highway authorities. They have ordained that the commercial signs on highways benefitting from federal funds must be removed. It's been done in most places but in the Upper Peninsula the removal orders of the State Highway Department have sparked up an angry reaction among highway businessmen. They say their business will be ruined if their signs are removed and unquestionably this is true in many instances.

The Highway Department has been injudicious in the execution of its policy. It is now forcibly removing some signs which came onto the highway with its approval. Some politicians have muddied the waters by joining the sign removal protest campaign more to embarrass the Highway Department than to help the highway businesses. The prospect is that they cannot forever get a special deal in the face of national compliance with Federal Bureau of Roads standards.

The need is to help the owners of roadside businesses identify them adequately so that persons who wish to patronize them can do so, while at the same time not lousing up the scenery so that eventually tourists will have no inclination even to come into the area. A state conference, or an Upper Peninsula conference, with all elements of the problem involved should be able to bring forth a generally acceptable highway signing code.

There are several concerns about the controversy which has caused circuit courts to halt the removal of highway signs in most U.P. counties. One is the bad image that the U.P. is giving itself downstate and elsewhere. The Detroit papers are printing letters from "Friends" and "Admirers" of the Upper Peninsula who regret that we're opposing the effort to keep the roadsides beautiful so that they can be enjoyed by visitors. This isn't a fair expression of the issue, but its prevailing one that could be one more deterrent to U.P. touring.

And another concern is about Mrs. Lorenz. When Franklyn Olson was jailed at Manistique several years ago on a disorderly charge, the Upper Peninsula got a national black eye as a place that puts schoolteachers in the poky for giving adult literature to children. (He gave his 5th Graders at Thompson Camus to speed their reading.)

And now we have Mrs. Lorenz locked up for fighting the sign snatchers of the Highway Department. Let's pay her fine and get her out. Grandmothers have to be forgiven some things, as all parents know, and fighting grandmothers are specially valuable. She started her own little war to protect her family's livelihood, but the issue is a big one affecting all the public. If the U.P. hasn't leadership that can resolve the problem of highway signing it is poorly equipped for the growth it's seeking.

The Doctor Says:

Skin Infection Needs Check

By Dr. Wayne G. Brandstadt.

Q — What is the cure for impetigo?

A — Impetigo is a skin infection that is common in children and is highly contagious because the pus gets on the hands, clothing, bed sheets, walls, floors and furniture. This disease was very stubborn and prone to recur before the advent of antibiotics. Stubborn cases are still seen when the causative organism has become resistant to penicillin. A newer antibiotic, erythromycin, has proved very effective. It works better when given internally than when used in an ointment. When impetigo is present in a household, it is essential that all members of the family use an antiseptic soap containing hexachlorophene.

Q — What is the cause and cure of leukoplakia? How dangerous is it?

A — Leukoplakia is a condition in which a white patch develops on the mucous surface of the mouth. More rarely it may occur on other mucous surfaces. The most frequent

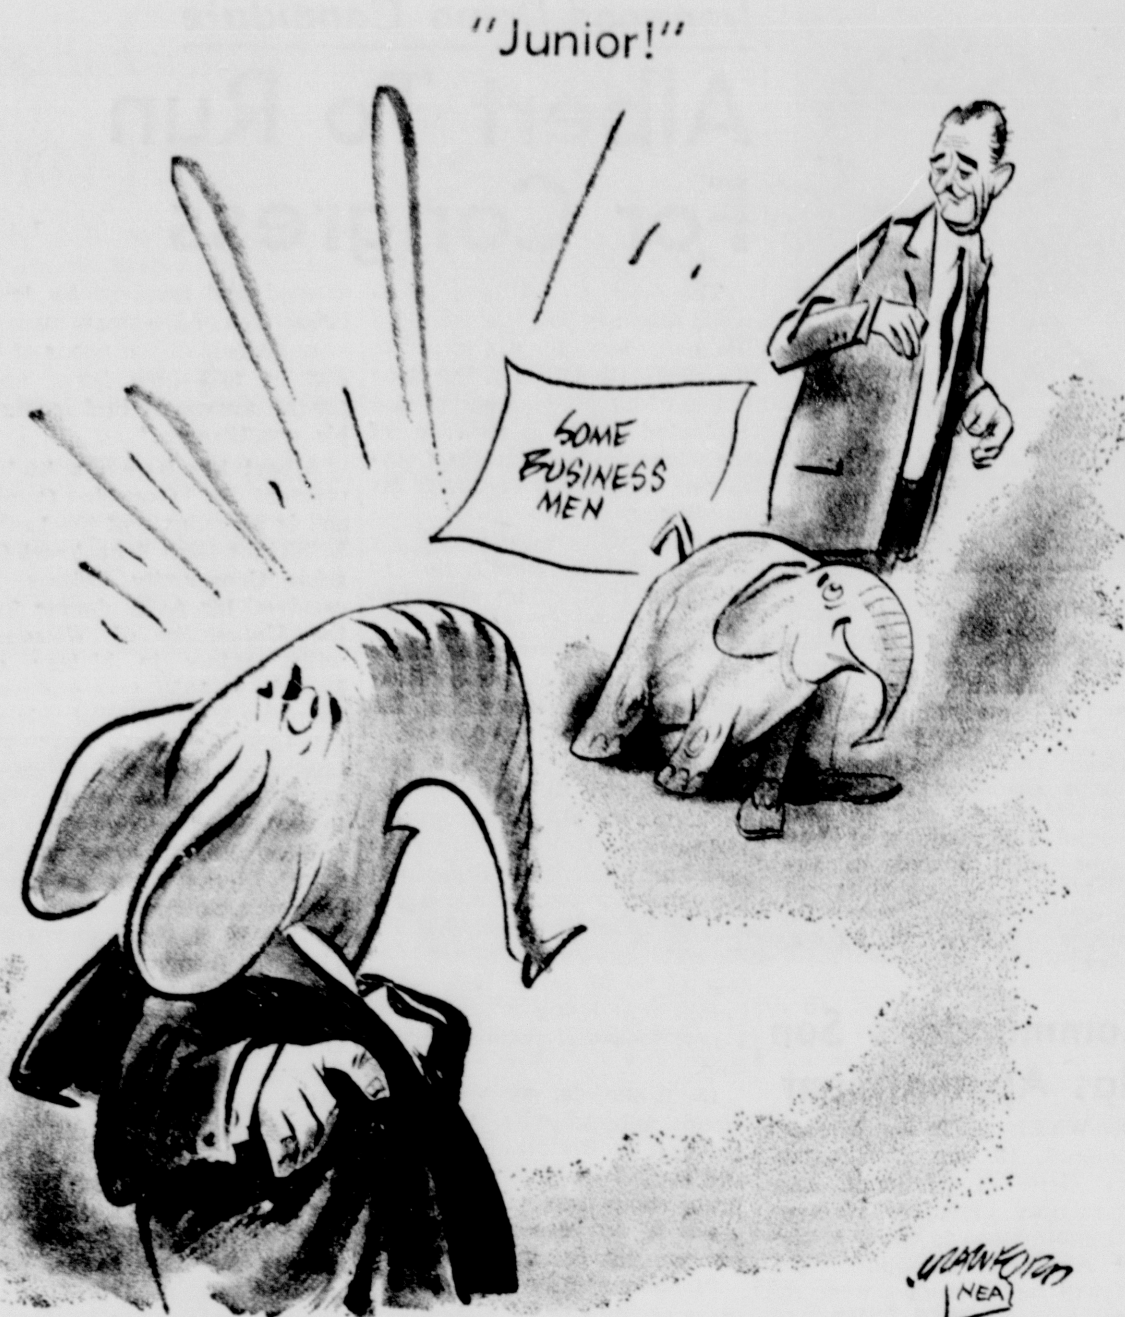

cause is heavy smoking. The danger lies in the fact that it is often a forerunner of cancer. Its true nature should be determined by microscopic examination of a small piece of the affected tissue. If the condition is leukoplakia and not lichen planus, which may closely resemble it, surgical removal is advised as a cancer preventive measure.

Q — This summer we will be living in a furnished apartment with cooking utensils and dishes supplied. What should I use in the dishwasher to disinfect these dishes?

A — The best disinfectant is heat. Boiling for two or three minutes will do the trick.

Q — In a recent column you told about the benefits derived from the use of low molecular dextran (LMD). My doctor said he was unable to get it at the drug store. Is it commercially available?

A — It is manufactured by Pharmacia Laboratories of New York and also I believe by the Pharma Chemical Corporation of Bethlehem, Pa.

Washington Comment

By BRUCE BLOSSAT

WASHINGTON — (NEA) —

As Gov. William Scranton of Pennsylvania tears around the country in his last-minute presidential bid against Sen. Barry Goldwater, he is providing the sharpest irony of the 1964 Republican scene.

For this deceptively casual, mild-mannered governor is on his way to putting the Goldwater camp in a permanent state of rage. And in so doing, he may assure the worst intra-party carnage since the Bull Moose days of 1912.

Only a few days ago, in a little-noticed gesture, a national party official put his hand on Arizona Gov. Paul Fannin's shoulder as the latter walked to a platform to speak for Goldwater. It was symbolic, a beginning sign of accommodation in high party circles to the idea of a Goldwater tri-

umph at San Francisco.

But the gesture was premature. For out of the humilities of the Governors Conference at Cleveland rose Scranton.

★ ★ ★

The irony in his candidacy lies in these things:

- Until this month he had always indicated his only interest was in being drafted as a 'unity' candidate after Goldwater and perhaps others might have failed.

Yet he is now entered as a purely factional candidate, the thrusting wedge of the Republican moderates, at an hour in the race when Goldwaters are bound to view any rival as a thief taking from their hero a prize already won.

- The gentlemanly Scranton, so reluctant to be pulled into this fight, is delivering against Goldwater and his views the most stinging blows the senator has felt since he entered the lists six months ago. To Goldwater this has been unexpected—and personally wounding. He ought to have remembered how Scranton two years ago reduced to stuttering incoherence his Democratic opponent for governor, Richardson Dilworth, ex-Marine and veteran of the political wars.

★ ★ ★

So now Scranton, the man who talked only of unity, may by force of circumstance be the final spur to bitter Republican warfare from now through San Francisco to November and beyond.

Still it is not he who put this party in a state where war may now be touched off. The cleavages are old. They are both regional and ideological. In some places they exist between upper and lower party echelons. Contributors of money and the professionals who use it do not see eye to eye in many instances.

All this conflict has reached a peak of rancor in 1964.

Between the conservative and moderate party forces there is today little mutual respect, little friendship, little wish for common understanding.

Goldwater people often exhibit open contempt for their rivals. Caught in the mood of ugly interchange, Goldwater himself, a naturally friendly man, is busy crossing top party figures off his list.

★ ★ ★

On the other side, the senator would be stunned if he knew the names of two respected party men—both calling themselves his friends—who have in recent weeks labeled Goldwater a "party destroyer."

What led them to this devastating charge was the mountainous array of complaints that Goldwater forces in state after state have crushed "good party people" whose only sin was that they "would not write in blood for Barry."

If any slim hope existed that these deep divisions could be papered over, it was probably dashed altogether when William Scranton came out of Harrisburg and began swinging for Goldwater's chin.

★ ★ ★

Establishment of a county directed hospital with a full time physician and surgeon in charge was discussed at today's meeting of the Schoolcraft County Supervisors and the building and grounds committee was directed to make a survey of suitable grounds and perhaps a building to house the project.

Indian Mounds Being Dug Up

ANN ARBOR (AP) — Two ancient Indian sites near Grand Rapids and Saginaw are being excavated this summer by University of Michigan anthropologists.

Work is being supported by the National Science Foundation.

The Grand Rapids site, said Dr. James Griffin, U-M anthropology museum director, is "one of the best Hopewell burial mound groups in the country."

Indians of the Hopewell culture are thought to have moved into southern and western Michigan from Illinois about the time of the birth of Christ. They are believed the first of the agricultural Indians to invade the territory.

The Saginaw site was described by Griffin as one of multiple occupancy, with relics of early woodland Indians at lower levels followed by those of the Hopewell culture. The earliest occupancy is estimated as dating back to about 500 years before the birth of Christ.

C. DIANE Baston, daughter of Mr. and Mrs. Ronald Baston, Rte. 1 Rapid River, has received the home economics scholarship from Northern Michigan University for the 1964-65 term. Miss Baston, salutatorian of her 1964 Rapid River High School senior class, was selected on the basis of tests and the recommendation of the home economics department at Northern. She is currently employed in Detroit for the summer.

Harden Named On Recruitment

MARQUETTE — Secretary of Labor W. Willard Wirtz has asked Dr. Edgar L. Harden, president of Northern Michigan University, to serve as honorary recruitment chairman of a nation wide program to find and train qualified recent college graduates to serve as counselor aides in youth opportunity programs.

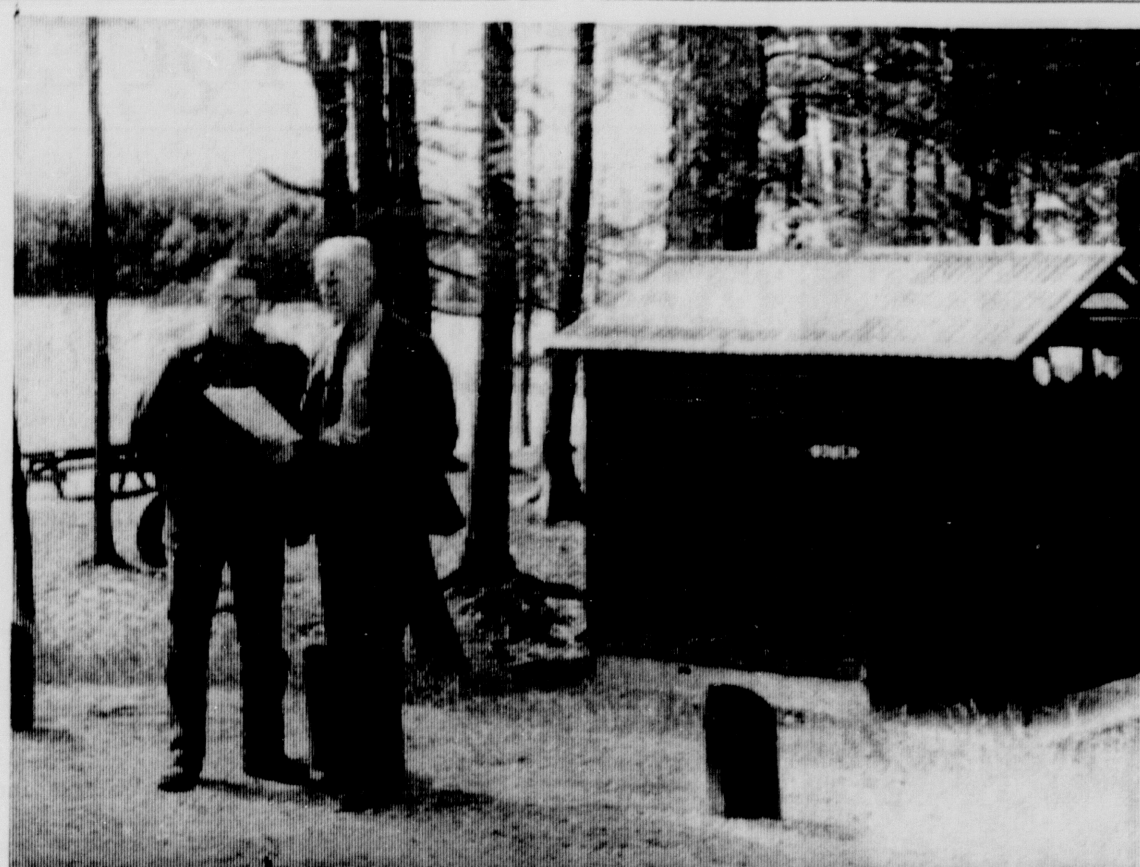

In May Dr. Harden was appointed to the Small Business Administration's National Advisory Council.

Examinations for the training program will be given this Saturday at all local offices of the Michigan Employment Security Commission.

Profits Soar

CADILLAC (AP)—Last year's auto boom sent sales and profits for the Kysor Industrial Corp. of Cadillac soaring to all-time highs in the fiscal year ending May 31, the company said.

Net sales rose to \$7.74 million from the \$5.96 billion of the previous year. Net profits rose from 34 cents a share to 54 cents, it said.

SUPERVISOR Sherwood C. Trotter and Deputy Regional Forester Louis Hermel review recent development at Pete's Lake campground during the multiple use field meeting on the Hiawatha National Forest.

More people get more news from newspapers than from all other sources combined

Multiple Use Reviewed Here

Foresters of the Hiawatha National Forest recently spent three days reviewing their multiple use practices and accomplishments. Sherwood C. Trotter, forest supervisor of the Hiawatha, said the group critically covered the Rapid River, Manistique and Munising districts. Louis Hermel, deputy regional forester for the North Central Region, U. S. Service, accompanied the group.

The tour visited areas on the national forest where the resources of timber, wildlife, recreation and water are being managed. The coordination of these uses provides forest recreation areas for an expanding population, public hunting areas with favorable game population, and commercial timber cutting to aid the local economy. "Management of the timber, recreation, and wildlife resources is carried on without interrupting the supply of quality water in the national

forest lakes and streams," said Trotter.

The foresters, Trotter said, discussed land management practices at each stop. Hermel, who at one time was a forester on the Hiawatha, accented principles of multiple use, which guide the district rangers in management.

Rangers Floyd Roberts of Munising, Ronald White of Manistique, and Reinold Chase of Rapid River conducted the tour through the three districts.

On the back roads of Cyprus a mile is reckoned as the distance a donkey can travel in an hour.

GLADSTONE

MANISTIQUE

ROBERT LAPINE, partner in the firm of LaPine Brothers Inc., and Melvin Crepeau, engineer, demonstrate how the perch filleting machine produced by LaPine Brothers operates. Pictured here from left to right are, Frank Stupak, representative of the Gladstone Industrial Corp., Dave Farrand, Escanaba representative of UPCAP, LaPine and Crepeau. (Daily Press Photo)

Horse Show Planned Here

One of the highlights of the July 4 weekend in Gladstone will be the horse show sponsored by the Silver Spur Saddle Club. The club will be assisted by riders from the Circle 4-H Riding Club as well as independent riders throughout the county.

The show will include all the old, thrilling stand-bys, such as pole bending, barrel racing, jumping races, speed and action and keyhole races. A few comedy acts will be injected.

An innovation this year will be contestant racing, not only against the stop watch, but against other riders. "This will encourage greater speed by the contestant and make a more thrilling race for the spectators," according to Larry Johnson of the Silver Spur Saddle Club.

The show will be staged in an enclosed area, east of the yacht club. There will be no charge to spectators and the show will start at 2 p. m. Saturday and will continue all afternoon.

Legion Attacks Use Of Drugs By Teen Agers

The American Legion is laying the groundwork for an attack on the increasingly serious problem of the unsupervised use of dangerous drugs by teenagers, Commander Lyle E. Godfrey of August Mattson Post 71 here announces.

The Legion is giving its support to the initiation and passage of legislation necessary to strengthen federal and state laws governing the sale and distribution of such drugs.

Popularly known as "pep pills," these drugs are being diverted from legitimate medical channels into candy stores, restaurants, service stations, truck stops, and also are sold by peddlers near schools and colleges.

Commander Godfrey states there are two different types of drugs involved. One consists of the amphetamines which have the effect of producing a release from inhibitions and are often the cause of auto accidents and anti-social behavior. The other type consists of the barbiturates which serve as a depressant, continued use of which produces effects similar to alcoholism.

The danger of barbiturates lies in the loss of physical and mental coordination by the individual. Abrupt withdrawal of their continued use may even be fatal, Commander Godfrey says.

Commander Godfrey states there are two different types of drugs involved. One consists of the amphetamines which have the effect of producing a release from inhibitions and are often the cause of auto accidents and anti-social behavior. The other type consists of the barbiturates which serve as a depressant, continued use of which produces effects similar to alcoholism.

Personals

Mike Smith, of Hemlock, Mich., son of Mrs. Francis Smith a former Gladstone resident, has been spending the past few weeks with Tom Clague, 801 Minnesota Ave. Next week Tom and Mike will leave for Kalamazoo where Mike is registering at Western Michigan University and then they plan to make a trip to Yellowstone National Park.

Terri and Nicky Ball, children of Mr. and Mrs. Joseph Ball, Rte. 1, Gladstone, are in Gaasra this week visiting their grandmother, Mrs. Jacob Ball. They will return home Saturday.

Wed 47 Years

Mr. and Mrs. Earl Druding, S. 3rd St., will observe their 47th wedding anniversary with a quiet day at home today. They were married June 26, 1917, in All Saints Church, Gladstone.

LaPine Brothers Develop Machine To Fillet Perch

By PEGGY BRYSON

What was once LaPine Brothers' job shop in Gladstone is now LaPine Brothers Inc., manufacturer of a perch filleting machine and job shop.

The machine was invented and developed by LaPine Brothers and is now manufactured there. The project was started in the fall of 1961 and was introduced to market in January of this year.

Robert LaPine of Wells and Donald LaPine of Escanaba opened the job part shop in 1950 and produced parts for local companies. They realized in order to remain in operation they would need a product of their own to manufacture. They searched the market for something that was in demand and wouldn't present a sales problem.

Robert LaPine came up with the idea of a perch filleting machine as there were no successful American made machines of this type. Many attempts had been made to develop a machine of this type in America but so far the only one on the market is a German model that is almost twice as expensive as the one developed by LaPine Brothers.

Robert also stated that the decision to produce a machine of this type was also greatly influenced by the problems of

Great Lakes Fisheries at this time.

Robert along with two Escanaba engineers, Melvin Crepeau and Richard Pardon designed the machine. It is seven feet long, two feet wide, four feet high and weighs about 800 pounds. It sells for around \$8,000.

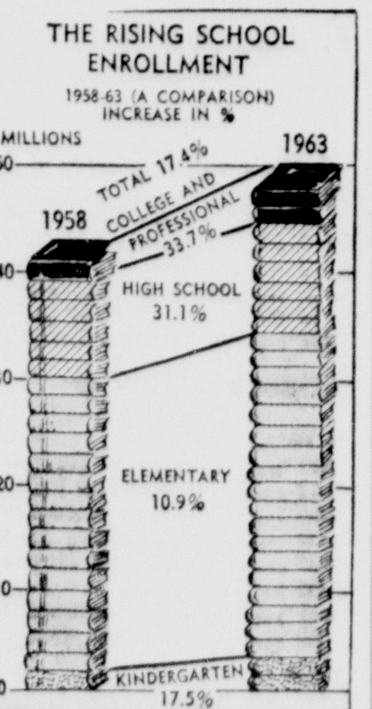

Decapitated fish are fed into the machine one at a time at a rate of 1,000 pounds an hour. A series of cutting blades and centering devices properly orientate the fish and remove all the bones and produces two boneless fillets. The fillets are taken from the machine and usually processed for breeding and then frozen.

Until now companies had to bone fish by hand. Crepeau estimates that the machine will augment sales by increased production. Robert LaPine stated that "American fisheries can't compete with foreign markets because labor is so much cheaper there. Our machine will put the U. S. perch on an equal market because of speedier and improved production."

So far nine machines have been sold. The first was delivered last month to a company in Wisconsin and another machine was ready this week. LaPine Brothers employ 11 men besides the supervisory staff. They are currently working on a plan to develop a head cutting machine to work in conjunction with the filleting machine.

The company was incorporated this year is located at Industrial Park in Gladstone. The Gladstone Industrial Corp. assisted the LaPine's in their venture and David Farrand, Escanaba representative of the Industrial Division of Upper Peninsula Committee on Area Progress (UPCAP), stated, "This is a fine example of the ingenuity of U. P. residents and promises to be a great success."

Newspaper want ads are a big sell! Eight hundred million was spent on classified ads last year more than for all television spot announcements or radio advertising.

MORE STUDENTS—School enrollment in October 1963 at 50.4 million was up 1.7 million from 1962 and up about 7 million from 1958, according to a Census Bureau survey. Of the students enrolled in school in October 1963, 2.3 million were in kindergarten, 31.2 million in elementary school, 12.4 million in high school and 4.3 million in college or professional school.

County Gets Airport Money; Sets Up Board

The Schoolcraft Board of Supervisors Thursday authorized its chairman and clerk to sign an agreement with the Federal Aviation Agency in which the matching contribution is raised to meet higher-than-anticipated local costs.

The total federal contribution is being increased from \$47,500 to \$50,332 to meet this. Simultaneously the board will eliminate from the contract reimbursement for three parcels of land acquired east of the Murphy Road. This can be incorporated in a later project.

The board also approved a 5-year agreement with Vern Bernard for concessions, use of the airport for training flights, and general operation of it.

Health Plans

Purchase of a walking tractor with snowthrower and mower attachments at net cost of \$500 from Richards Bros., was approved.

Veteran burial allowances were approved for Ethel MacLean, Howard Kane, Max Osterhout, and Mrs. Ellen Weber. Authorization was given to board windows at the Cloverland Lodge building and to re-advertise for bids for its sale.

Plans for a city-county building, being prepared by G. Arntzen Co., have been revised to provide spaces for two fire engines. The building would face Maple St. More revisions are planned, after which a meeting of city and county officials will be held. The plans will be shown county officers.

A report of the health department included information that Alger County had outlined its position on plans for a 4-county unit with Luce and

Mackinac counties. A \$300 salary increase for each employee of Alger - Schoolcraft Health Department effective July 1 has been approved.

A report was heard from the Army Corps of Engineers on recommendations for flood control in the Indian Lake Area and was tabled. The county is now ready to act on it, Chairman Floyd Sample indicated.

Clearing of the north-south runway at the airport by Schnurer excavators was approved, at \$400 cost. A request of Fred Hahne, Carl Graves and E. J. Thompson of the Chamber of Commerce for \$2500 annual appropriation for cost of area tourist folders was referred to the finance committee. The C-C distributes the folders in response to requests and also at tourist information centers and winter travel and sports shows.

Public Relations

The board appointed a 5-man library board consisting of Nancy Walters, serving five years, William Guinan, 4 years, Eva Burrell, 3, Pearl Smith 2 and Beda Hough, 1, and moved to establish a county library under Act 138 of 1917, as amended, and Sec. 3, Act 59, of the Public Acts of 1964.

Resolutions were adopted commending Lawrence Boyd and Arthur Demers for their county board service.

The board chairman appointed Merwin White from the city and Harold Peters, representing rural areas, to serve on a public relations committee for the county board. Articles to explain goals of the county, its action and major projects will be provided.

In the audit committee report, a recommendation was made that the county consider purchase orders. Proper endorsement on purchases has been asked. General discussions indicated the three bills, for minor items for which the purchasers did not sign at stores, were an exception, that purchasers normally sign their names on the sales slips.

Church Services

Briefly Told

The family of Wesley B. Orr Jr., has arrived from Farmington to spend two weeks at their cottage on Sunset Beach. Mrs. Orr plans to take her mother, Mrs. Lydia Mattson, abroad on a visit in Sweden and Finland in July. The Orr family includes Bill, a 10th grader, Wes III, who was graduated from Farmington High School, and Jim, who has been in France studying the past year and who will be enrolling this fall at the University of Michigan.

City Briefs

Weekend visitors at the home of Mr. and Mrs. William Gentz were Mr. and Mrs. Louis Farley and Alphe Tebo, Antoine and Leo Farley, Albertine Goudot, Garden, Mrs. Caverle Juhl and Mrs. Amos Klindienst, Gladstone and Mr. and Mrs. George Briggs, Grayling. Mrs. LaVerle Juhl, Mrs. Amos Klindienst and Mr. and Mrs. William Gentz also visited with Mr. and Mrs. Willard Gentz, Newberry.

Mr. and Mrs. Thomas J. Johnson and daughter, Tracy Lynn have returned to their home in Lincoln Park, Ill., after a week's visit with Mr. and Mrs. Lawrence Tennant, RFD 1, Manistique. Mrs. Al Galli and son, Michael remained here for a month's visit. Mrs. Galli, the former Bernice Wood, is Mrs. Johnson's mother and a sister of Mrs. Tennant.

A. C. Sherman, director of the local government division and Robert G. Vernon, area engineer for the bureau of public roads, outlined rules and regulations and the increased compliance asked.

The tighter controls on roads where federal funds are being spent include stricter materials testing, traffic counts and hill and curve center-stripes on blacktop roads.

The convention opened Tuesday and concluded Wednesday with the annual banquet, for which Dr. Edgar L. Harden, Northern Michigan University president spoke on opportunities existing to bring peace to the whole world through sharing of America's strength and know-how, opportunities to overcome poverty, provide more education, rights, he said, urging a positive program of action, not a "let-Elmer-do-it" attitude.

"One of the great American ideals is that there is much that is extraordinary about an ordinary person. A sound education program at every level, elementary to graduate school is necessary to achieve this. We have the opportunity to make machines our servants. We must provide 12 million jobs for the new people that will be coming into the labor market; and will lose 22 million by automation. We aren't planning these new jobs, we're running away because we are afraid of

NEW OFFICERS elected by the U.P. Road Builders Assn. at their Blaney Park convention, from left: Zenda Fish, Eagle River, vice president; O. A. Vispi, Kingsford, president; William L. Kaiser, Houghton, president until new officers take over Jan. 1, and C. J. Lavender, Newberry, secretary-treasurer. (Daily Press Photo)

AMONG U.P. MEN honored by U.P. Road builders at Blaney Wednesday were Carl F. Winkler of Houghton County, "dean of highway engineering." The County Road Assn. presented certificates of life membership to U.P. men who have served it as president. These were Winkler, Con G. Ahern, Menominee, William Karas, Delta, H. L. Shroeger, Marquette, and Joseph Masini, Houghton. (Daily Press Photo)

America Ducking Automation Job, Road Men Told

BLANEY PARK — With a "pretty good defensive session" of the Michigan Legislature behind them, representatives of the Michigan County Road Assn. this week noted here they were particularly happy two pieces of legislation were defeated with the help of Gov. George Romney. These were bills which would have included cost of moving utilities and buildings as part of the project cost of road building.

The Association was represented here at the 56th annual meeting of the U.P. Road Builders Assn., with some 300 attending. John E. Mayer, director of engineering for the State Highway Department, discussed progress on various road projects and their relation to the level of the economy.

He urged that more safety be engineered in roads, to help cut the slaughter on highways, even though there is reluctance to spend the additional money for it.

Job Planning

The Wednesday program included a legislative report by John O. Jacoby, legal counsel for the County Road Assn., and a panel consisting of himself, John P. Cushman, legal counsel for the Wayne road commission, A. Vincent Young, state agency audit staff and Edward McNamara, legal counsel for the Mackinac road commission.

Vernon Cummings of the Luce Commission gave the convention welcome. Earl Paquin of Delta County presided at the road commissioners meeting Wednesday afternoon. Andrew Nester, Luce County, was chairman of the conference program committee.

The bus was chartered by a Chinese drum and bugle corps from Los Angeles and bound for a convention in Sacramento.

Bus Load Upset; 3 Persons Dead

MADERA, Calif. (AP) — A chartered bus carrying 32 passengers from Los Angeles overturned on a freeway north of here today, killing at least three persons, the highway patrol said.

A newsman at the scene, two miles north of Madera on Highway 99, said all the remaining passengers appeared injured. They were taken to Madera County Hospital.

The bus was chartered by a Chinese drum and bugle corps from Los Angeles and bound for a convention in Sacramento.

Document Theft Pair Convicted

DETROIT (AP) — A U. S. District Court jury took only two hours Thursday to convict Robert Bradford Murphy, 46, and his wife, Elizabeth, 32, of possessing 210 rare documents stolen from the National Archives in Washington, D. C.

The Murphys each could be sentenced to 10 years in prison and fined \$10,000. Judge Thomas P. Thornton did not fix a day for sentencing.

Murphy, rejecting the court's offer to provide him with a lawyer, handled his own and his wife's defense. And because of one of repeated outbursts on his part, he faces a separate jail term for contempt of court.

Among documents which the FBI said it found when agents raided the Murphys' Detroit apartment last Jan. 2 were letters signed by Presidents Monroe, Jackson and Lincoln.

The government claimed that Murphy stole the documents from the National Archives in August and September of 1962 while posing as an author doing research for a non-existent publisher. Murphy contended he bought the documents from persons he assumed to be legitimate dealers in such rare items.

Authorities here said the Murphys are wanted in at least eight states on fraud charges involving the offering for sale of stolen documents or, in some instances, of counterfeits or non-existent letters and papers.

Bartlett Makes Staff Changes

LANSING (AP) — State Superintendent of Public Instruction Lynn Bartlett has announced staff changes to fill vacancies in jobs of consultant in the general education division.

Dr. Jack Rombouts, one-time principal at Sault Ste. Marie, will become chief of adult and higher education.

Until last year, he was deputy superintendent of administration, and since last summer has directed the laboratory school at Northern Michigan University.

Donald Goodson, superintendent of Glen Lake Community Schools, will become elementary school consultant.

Mrs. Barbara Ort, consultant in modern foreign language for the state of Illinois, will come to Lansing to assume an identical post.

Floyd Baribeau, director of special education for the state of Arizona, will take on a similar post here.

Women's Golf Group Meets: Winners Named

At a meeting of the Ladies' Wednesday Golf Group, June 24, building plans and fund raising were topics of discussion. Golf awards were won by Mrs. Ed Jackson and Mrs. John Kelly. Mrs. William Phillion won the special award. Bridge winners were Mesdames Ozzie Smits, George Wood, William Sheahan, Ian McKilligan, Ferd Gorche and Matt Stram. Hostesses for the July 1st meeting will be Mrs. Carl Carlson, Mrs. William Howe, Mrs. Barney Johnson and Mrs. Bruce McKilligan. Reservations may be made before Tuesday by calling Mrs. Howe, 341-5386.

"Family Day" is scheduled for June 28. Golfing will start at 1:15 p.m. and dinner will be served at 5 p.m. Everyone is asked to bring his own table service and steaks and a dish to pass. Reservations for this event are to be made with Mrs. Lyle Wilson.

The theme for next Wednesday will be "I've Got A Secret" and mystery foursomes will be chosen after all are present.

Pairings are:
K. LeBrasseur - A. Smits
M. Malloy - M. Males
P. Carlson - M. Curran

Firm Will Be Continued By Founder's Sons

The Manistique area has been provided 30 years with expert floral and landscape service by the Valley Nursery and the business is now in transition stage with members of the Leonard Walters family getting ready to operate it.

Leonard Walters, who retired in November due to ill health founded the nursery on U. S. 2 east of Manistique 30 years ago, while working as a foreman with the U. S. Forest Service.

It has grown and each year the business of the firm has extended farther, so that landscape service has been provided in a wide area.

"Getting things to grow in this area is rather difficult, as it is zone three. But proper selection, with right care can make a big difference," Walters has noted.

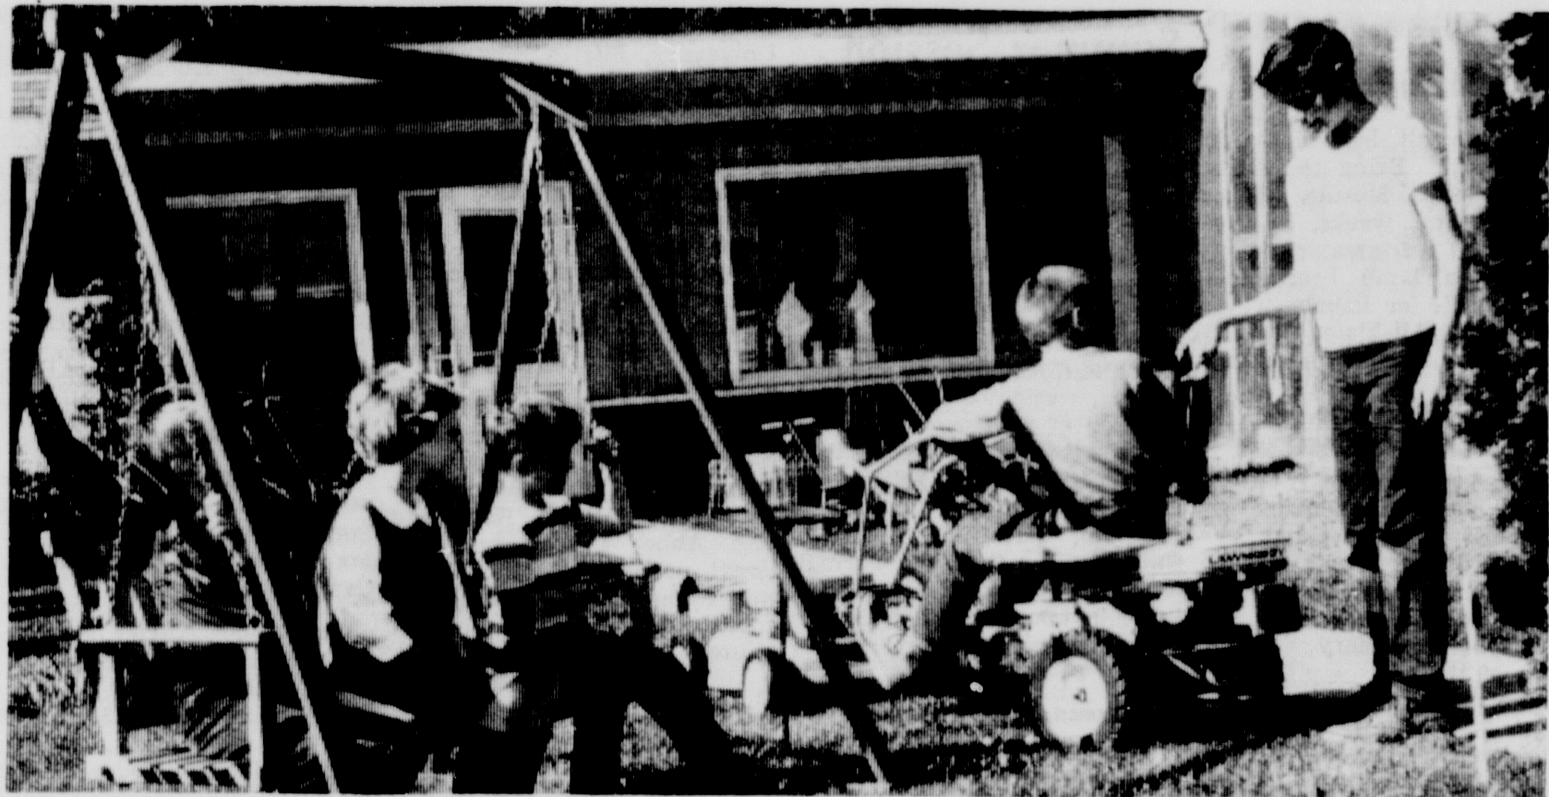

His wife and their children operate the business now and soon their two sons, David, now in Laconia, N. H., and James, Army paymaster at a base in Germany will be returning to operate it. Both are graduate florists, as is Mrs. David Walters.

THE VALLEY NURSERY greenhouse and office and a part of the large supply of Lawn Boy Mowers, tillers and tools it stocks are pictured.

MRS. LEONARD WALTERS is shown with her twin daughters, Jane and Jean, arranging a floral bouquet for the greenhouse operated by the Walters.

GRANDCHILDREN of Mr. and Mrs. Leonard Walters, owners of the Valley Nursery, are pictured with some of its outdoor display. From left: Debra Paradise, Burlington,

Wis., Mark and Kurt Rhynard of Munising and, at right, the Walters' sons, Stephen and Dale Francis, who help with the business.

THIS EXTERIOR view of the Valley Nursery east of Manistique shows the greenhouse on left and the shop of

Lawn Boy power equipment and hand tools for lawn, garden and landscaping work. (Daily Press Photos)

Mrs. Leo Niquette Is District Director

Mrs. Leo Niquette, 220 N. 21 St., president of the Escanaba Area PTA Council, recently was appointed by the State Board of Managers of the Michigan Congress of Parents and Teachers, to serve as District 19 Director for three years.

District 19 consists of five counties, Alger, Delta, Dickinson, Marquette and Menominee with four Council units and 66 local PTA units.

Her duties as District Director will be to help existing units, organize local and Council units, wherever needed, and create a closer contact between them and the State Office.

She attended the Leadership Training Workshop held at Higgins Lake, June 22, 23 and 24.

A District Workshop will be held in Escanaba for Council and local PTA unit members early in October, with state officers attending.

Mrs. Leo Niquette

Nelson-Thurber Bridal Service Saturday Night

Miss Mary A. Nelson, daughter of Mr. and Mrs. N. E. Nelson, 1412 7th Ave. S., Escanaba, and Winton E. Thurber of Kenosha will repeat their marriage vows in a candlelight ceremony tomorrow evening at 7 at the Bethany Lutheran Church. Mr. Thurber is the son of Mr. and Mrs. Myles Thurber, Hershey, Neb.

Officiating at the service will be the bride's brother-in-law, the Rev. J. Philemon Anderson of Baraboo, Wis., the Rev. Sidney W. Jones, former Bethany pastor, of Pueblo, Colo., and Bethany's pastor, the Rev. Dr. Walfrid E. Nelson. Mrs. LeRoy Nordahl of Bismarck, N. D., will serve as organist.

Miss Nelson has asked her sister, Mrs. J. Philemon Anderson, to serve as matron of honor and Miss Virginia A. Jones as bridesmaid. Susan Jo Anderson will be flower girl. Richard G. Nelson Sr., Oak Creek, Wis., the bride's brother, will be Mr. Thurber's best man, while Ron Howard, Dean of Men, Carthage College, Kenosha, will be groomsmen. The two nephews of the bride, Richard G. Nelson Jr. and Richard J. Anderson will be the ring bearers. Ushering will be LeRoy Nordahl of Bismarck and Robert W. Johnson, cousin of the bride, of Kingsford.

The rehearsal dinner is being held this evening at the Dells Supper Club. A pre-nuptial smorgasbord dinner will be held on Saturday at the Leonard Nelson home, 415 S. 17th St., with Mrs. Richard G. Nelson Sr. and Mrs. Leonard Nelson will be hostesses.

BEVERLY YOUNG, 710 S. 19th St., left Thursday to attend the National Convention of TOPS Clubs members (Take Off Pounds Sensibly) in Kansas City, Mo. Miss Young was named the national 1963 princess runner-up. She is a member of the local Wait Watchers TOPS Club. The convention will continue through Saturday. (Daily Press Photo)

A JULY 4 WEDDING is being planned by Deanna Margaret Olsen, daughter of Mr. and Mrs. Edmund Olsen, 1315 15th Ave. S., and John Robert Conkings of Milwaukee. The ceremony will take place at Immanuel Lutheran Church. Miss Olsen was graduated from Escanaba High School in 1962 and attended Northern Michigan University, Marquette. She presently is employed in the office of The Living Church, Milwaukee.

Ted Mileski Will Celebrate Silver Wedding

Mr. and Mrs. Ted Mileski of 530 S. 17th St., whose wedding took place in Escanaba 25 years ago, will celebrate their silver wedding anniversary Sunday, June 28.

An open house will be held from 1 to 5 p. m. at the family home. No formal invitations have been issued in the Escanaba area but all relatives, neighbors and friends are invited to attend.

The former Mary Jane DeMars, daughter of Mrs. Mary DeMars, and Ted Mileski were married June 27, 1939, at St. Joseph's Church by Father Edward Leary, O.F.M. Their attendants at the ceremony were Mr. and Mrs. Charles Longtime of Wells, who will be with them for the happy occasion.

They have four children, Mrs. Clinton (Mary Jo) Delvaux of Wells, Mary Margaret Mileski of Milwaukee, and Billy and Michael at home, as well as two grandsons.

Out-of-town relatives and friends of Milwaukee and of neighboring communities will attend the open house.

Kabobs Are Delight Of Cookout Chefs

By GAYNOR MADDOX
Newspaper Enterprise Assn.

Kabobs are the little darlings of the barbecue boys. They're safe and sure to show off with. Beef and lamb make the best kabobs, particularly when the cubes of meat are alternated with onions, cherry tomatoes, mushrooms, or green pepper. The barbecue sauce is important; it must be as good as the kabobs.

BARBECUE BEEF KABOBS
(Serves 6)
1½ lbs. sirloin tip
1½ dozen small white onions
Spicy Barbecue Sauce
Frankfurter buns

Cut beef into 1½-inch cubes. Peel onions and par-boil 10 minutes in boiling salt water, using 1 teaspoon salt to 1 quart boiling water. String beef and onions alternately on skewers. Brush with Spicy Barbecue Sauce. Cook over a very low charcoal fire until the meat is of desired doneness, turning and basting with barbecue sauce as often as the meat looks dry. (Cooking time depends upon the degree of doneness desired and the heat of the fire. Slow cooking and frequent

basting produce a kabob of better flavor.) Serve between split frankfurter rolls.

SPICY BARBECUE SAUCE
¾ cup fresh lemon juice
½ cup cider vinegar
½ cup tomato catsup
¼ cup salad oil
½ cup water
1½ tablespoons light brown sugar
2 tablespoons salt
1½ teaspoons powdered mustard
¾ teaspoon cayenne
2 tablespoons finely chopped onion
¼ teaspoon mashed garlic clove

Combine all ingredients in a saucepan. Bring to boiling point. Boil 1 Minute. Sauce keeps several weeks, in covered jar in refrigerator.

Here's a lamb brochette—that French for kabob—which earned an All-Male Cookout prize for a surgeon in Minneapolis.

PARADE LAMB EN BROCHETTE
(Serves 2)
1 small lamb leg, boned, cut into 1½-inch cubes
1½ cups dry vermouth
½ cup melted butter
½ clove garlic, crushed
¼ teaspoon rosemary
Pinch of thyme
2 large mushroom caps
1 egg
¼ tablespoon sesame seeds

Place lamb cubes in shallow marinating dish. Combine vermouth, butter, garlic, rosemary and thyme; pour over lamb. Cover. Refrigerate 12 hours; turn occasionally.

Two hours before barbecuing, remove meat from refrigerator and bring to room temperature.

Line firebox with heavy duty foil; let coals burn down until covered with gray ashes. Thread lamb cubes and mushrooms alternately on skewers. Place each skewer on a double thickness of foil and bring foil up around the meat in a boat-shaped manner. Pour ¼ cup marinade over each skewer of meat and complete wrapping the foil around the skewer, sealing securely. Place on grill. Cook for 30 minutes.

Combine egg, biscuit mix and sesame seeds. Remove foil from skewers and return them to the grill. Brush sesame batter on lamb and mushrooms in successive layers as the skewers are turned. Continue until the batter forms a brown blanket over the lamb and mushrooms. Serve with cooked wild rice.

Summer Session At NMU Record

MARQUETTE — Northern Michigan University reports a record summer enrollment of 1,526 students. The total includes 634 undergraduates, 794 graduate students, and 56 guest and special students.

Dr. Ed Pfau, dean of education and director of the summer session, said the increased number of freshmen (125) on campus this summer means that more students are getting an early start on their university program, permitting them to finish earlier than the normal four-year period if they continue to take advantage of the summer session.

Mrs. Garrard Is With Choir At Triennial

Mrs. M. H. Garrard Jr. of Escanaba, is a member of the 175-voice choir of United Presbyterian Church Women, providing special music at the Triennial Assembly which opened its sessions Monday at Purdue University to consider Christian freedom. The meetings with an attendance of 5,000, will close Saturday.

Appearing with the Women's Choir are the Princeton Theological Seminary Choir and the Octet from Inter-American University, Puerto Rico.

The Presbyterian women are hearing from leading churchmen and meeting with special guests and delegates from overseas. They are lunching study and action themes for the next three years.

Noted speakers include Dr. Ernest Gordon, Dean of Chapel at Princeton University, the Rev. Eugene Carson Blake, Stated Clerk of the United Presbyterian Church in the U. S. A., Dr. Paul Pruyser, director of the Education Department of the Menninger Foundation Topeka, Kan., and Mrs. Abbey C. Jackson, national president of the Women's Home Foreign Missionary Society of the A. M. E. Zion Church.

Interest In Others Urged Upon Youth

EAST LANSING — Dr. Edgar L. Harden, president of Northern Michigan University, told delegates to the annual Boy's State program at Michigan State University Thursday that "for the first time in the history of mankind, peace, progress, and prosperity are within our reach, but we won't achieve these goals unless we match opportunity with responsibility."

Deploping recent events in which crime, violence, and tragedy have occurred in full view of witnesses who failed to help or assist, Dr. Harden said "our way of life cannot be maintained by people who don't care what happens to others, who refuse to become involved in either attacks upon our people or our way of life."

St. Anne Picnic At Pioneer Trail

The annual St. Anne's parish picnic will be held Sunday, June 28, at Pioneer Trail Park. Included in the event will be a fine dinner, short order stand, refreshments, games, pony rides and mechanical rides. The awards also will be presented at the picnic.

The event is sponsored by the St. Anne's Alumni Association and all proceeds will go to the St. Ann's School Building Fund.

Powers-Spalding

Mr. and Mrs. David Draz returned from a trip to Winnipeg, Canada, where they visited relatives.

Mr. and Mrs. Theodore Dault returned from a four-day trip to Minneapolis, Kan., with two new camper coaches.

Lions Meeting

Powers-Spalding Lions and their ladies met at the Silver Dome in Marinette for a smorgasbord and installation of officers Tuesday evening. Lloyd Fazer is King Lion, Harlan Hansen, secretary, and Walter Veraghen, treasurer and lion tamer.

Classified Ads Cost Little But Do A Big Job

THE ENGAGEMENT and approaching marriage of their daughter, Betty, to Alvin H. McNeil, son of Mr. and Mrs. Albert O'Neill of Gould City is announced by Major and Mrs. John Thrieman of Moffett Field, Calif. The wedding will take place July 11 at Moffett Field Chapel.

Schaffer

Mr. and Mrs. Gordon DeMars of Escanaba and Mr. and Mrs. Louis Racicot will attend the silver jubilee of Mr. Racicot's cousin, Sister Rose Cecile, which will be celebrated at Our Lady of Charity convent in Green Bay, Sunday, June 28.

Miss Patricia LaFleur and her fiancé returned to Milwaukee after a weekend visit with her parents, the Joseph LaFleurs.

Little Michael Racicot returned home Tuesday from St. Francis Hospital where he had surgery.

Mr. and Mrs. Fred Morin and Kathy of Niagara were guests of the Louis Racicots.

Mr. and Mrs. Gilbert Taylor of Muskegon visited the Eli Taylors this week.

Mr. and Mrs. Joseph Richer, Joe Jr. and Allen, and Mr. and Mrs. Gerald Richer and daughter, visited in Chicago, and also attended Minnesota Twins-Tiger games in Minneapolis - St. Paul. Darlene Richer returned to Chicago with them after visiting her parents.

Trenary

Golden Wedding
The family of Mr. and Mrs. William Fitzgerald will give a reception in observance of their golden wedding Saturday, June 27, from 7 to 9 p. m. at the Town Hall. All neighbors and friends of the couple are invited.

First Lutheran
There will be no service at First Lutheran Church Sunday, June 28. Members of the congregation are asked to attend the Parish Festival at Our Savior's Lutheran Church at Eben. The Sunday schedule will be: English service at 10 a. m.; Finnish service at 11:15 a. m.; dinner at 11:30 a. m. and Festival program at 1:30 p. m. Trenary Choir will sing during the afternoon program.

Robert Cayer has gone to Milwaukee to seek employment.

Mr. and Mrs. Deior Weber and family of Manitowoc have been visiting Mr. and Mrs. Norbert Weber.

Mrs. Envy Jussila and son of Duluth are visiting relatives here.

Bruce Harris, who has been discharged from the armed forces, is visiting his parents, Mr. and Mrs. George Harris.

Nearly one-half of the U. S. drug addicts are between 21 and 30 years of age, according to Britannica Book of the Year.

Social-Club Bridge Luncheon

Regular Bridge League luncheon will be held at the Escanaba Country Club Wednesday, July 1, at 1 p. m. League players unable to attend should furnish substitutes.

★ ★ ★
B. & P. W. Club
The Escanaba Business & Professional Women's Club held a regular dinner meeting at the Sherman Hotel Tuesday evening. Guest speaker was Carmen Mayra, a student at Bay de Noc College, who gave demonstrations on hand writing analysis. Lottie Frenchette and Flora Clark were named on the audit committee. Mrs. Arnold Williams was welcomed into the club. The next meeting will be a picnic at the Edward Kasun home on M-35 July 14.

Methodists Back Highway Safety At Conference

The Board of Christian Social Concerns at the annual Detroit Conference of Methodist Churches June 17-21, adopted a resolution urging a strong stand on highway safety in the state. The resolution requests that Governor Romney and state authorities make studies and take steps to make our highways safer.

It was presented to the Conference by Rev. J. Bruce Brown, pastor of the First Methodist Church, Escanaba, and Mrs. Alfred Anderson, delegates to the conference from the First Methodist Church and Bark River Methodist Church.

Last year's state traffic death toll reached 1,885. There have been 887 deaths this year compared to 754 last year at this date.

Births

JOHNSON — Mr. and Mrs. Royal A. Johnson, Gladstone, are the parents of a son, William James, weighing 7 pounds, born today, June 26, at 12:02 a. m. at St. Francis Hospital. Mrs. Johnson is the former Theresa Blanchette.

COOL — A daughter was born to Mr. and Mrs. Richard R. Cool, Mounted Route, Escanaba, today, June 26, at 8:15 a. m. at St. Francis Hospital. The baby weighed 8 pounds and 2 ounces and her name is Carol Lynn. The mother is the former Erma LeDuc.

Mix-and-match shorts and tops are the basis for a cool daytime vacation wardrobe. Mexican-bright embroidered flowers burst out on the back-buttoned white pique top (left) teamed with fly-front shorts. Cotton knit mates (center) show border-stripe, bare-arm top with matching

or contrasting side-zipped shorts. Crisp touch is added to sleeveless striped cotton knit top (right) with white French collar. Slim solid color Jamaica acts as perfect foil for the stripes. These are Aileen designs to keep you looking cool and crisp for fun-in-the-sun days.

Feet are funny appendages and only constant care keeps them from detracting from your chic bathing or sun suit. A special lotion helps slough off dry, dead skin and gives toes and heels a softer, smoother look. Use indoors after bathing or smooth it on at the beach or poolside.

In This Corner

with Roy Crandall

John Backman, head football coach and athletic director at Bessemer the past four years, has resigned to accept an appointment by the Department of Health to the position of U.P. District educator-coordinator on the program of alcoholism under the Michigan State Board of Alcoholism. Backman, former Bessemer High School and Marquette University athlete, is a native of Ramsay. Under his guidance, Bessemer football teams won 19 and lost 13, including a 7-1 season in 1961. Backman and his family are now residing in Escanaba.

Bob Ellis has resigned as Munising basketball coach to accept a similar position at Negaunee High School where he succeeds Bob Herman. Ellis is a native of Negaunee where he was an outstanding high school athlete. He is a graduate of Central Missouri College where he earned 11 varsity letters in football, basketball and track. Ellis has been basketball coach at Munising since 1959, following six years at the same job at Michigamme High School. Herman, also a former Negaunee prep star, resigned this year after one season at the Miner reins to accept a University of Michigan fellowship for graduate study in the field of guidance.

Rotary and Credit Union teams hooked up in a dandy Little League baseball game this week, battling to a 3-3 deadlock in 12 innings before the contest was called by darkness.

Dan Mylander, generally accepted as the peer of all Escanaba Little League players, worked the Credit Union mound and at one stage fired 14 straight strikes. But it was nine year old Mark Irving who tugged the heartstrings of the fans.

Making his first LL pitching start, Irving shut out the Credit Union for 5½ innings before stepping down for Tom Kangas. Rotary went ahead 2-0 in the 10th inning but Mylander knotted the score with a two-run homer. Mylander tied it again in the 12th, scoring after an intentional walk.

A field of 55 golfers is expected to tee off in the first annual Upper Peninsula Junior tournament at North Shore in Menominee today. In addition to Escanaba and Highland Clubs, golfers will represent Munising, Calumet, Marquette, Sawyer Air Base, Iron Mountain, Marinette and Menominee.

Art Haage, assistant coach last year, will move up to the head football position at St. Ignace this fall, succeeding John Soderman. Haage is a graduate of St. Ambrose College whose career as a linebacker for the Boston Patriots and Saskatchewan Rough Riders was cut short by injuries.

Reno Petteunuzzo turned in another mound masterpiece for Doran's in the Soo Intercity softball league this week. The Canadian craftsman pitched a one-hitter, fanned 12 batters and beat Northview Bar 1-0. It was his eighth straight mound victory. Losing pitcher Dave (Whitey) Horka allowed four hits.

Carl Lemin (Felix basketball coach) was on the mound as Bosch Beer defeated Edwards Autos 4-1 to capture the first half championship in the Iron Mountain Intercity softball circuit. Bosch, one of the teams that will compete in the Escanaba invitational tournament on the Fourth of July, has an 8-2 record.

Mira Is Eager For Pro Action

BUFFALO, N.Y. (AP)—George Mira hopes to sharpen up in two all-star games for his big chance with the San Francisco 49ers. The fabulous quarterback from the University of Miami has been dreaming of playing pro ball since his sophomore year.

"The 49ers have a good one in John Brodie," said Mira. "I hope to learn a lot from him. I hope I can get to play this year. It's tough to sit on the bench. It's a big step and I'm anxious to get there and learn all I can."

Mira will quarterback the East team against the West in the All-America game at War Memorial Stadium Saturday night, co-sponsored by the American Football Coaches Association and the Buffalo Evening News. The game will be carried on network (ABC) television.

"Coach Jack Christiansen was down to Miami in January and spent some time with me," said Mira. "We went over films and a couple of plays. I think the big problem is learning the different defenses and knowing when to change plays at the line of scrimmage."

Mira has some apt targets on the East squad, coached by Pete Elliott of Illinois. Bob Lacey of North Carolina and Jim Kelly of Notre Dame will be at the ends and Paul Marth of Pitt at the flanker spot, plus little Sherrin Lewis of Michigan State at left half.

"I've been throwing the ball for about a month and working

out," said Mira. "This game should help my conditioning. I am going to drive out to San Francisco in time to get there July 10 for a week of camp before it is time to report for the All-Star game in Chicago, Aug. 7."

"These all-star games are great, you want to do your best for yourself and for your school. A lot of people in Miami and back home in Key West will be watching on television."

Favorite Bows In Golf Match

EAST LANSING, Mich. (AP)—An all-Michigan final played up today in the National Women's Collegiate Golf Tournament.

Matched in the championship duel were Joyce Kazniarski, a Michigan State student, and Patti Shook, a Valparaiso coed who calls Saginaw her home.

Miss Shook topped Sue Hilton of Western Ontario 1 up in a tense semifinal match Thursday. Miss Hilton had assumed the role of favorite after eliminating medalist Sharon Wilder of Aquinas College and Carol Sorenson of Arizona State, the 1962 champion.

Miss Kazniarski had an easier round as she ousted Carol Hochstrung of the University of Washington, 6 and 4. Miss Kazniarski forged ahead after the third hole and used her putter only 13 times in the first nine holes.

Barber Back In Business Baltimore Sweeps Series;

By The Associated Press
Dust off the first chair, boys—Baltimore's fanciest Barber is back in business!

Steve Barber, who bossed the Orioles' pitching corps a year ago with a 20-13 mark, can count his 1964 victories on one hand. But the three-hit, nine-strikeout trim job he did on New York Thursday night in a 3-1 verdict over the Yankees had all the earmarks of a return to 1963 form.

The southpaw's effort, coupled with home runs by Boog Powell and Brooks Robinson, gave the Orioles a sweep of the three-game series and stretched their American League lead over the Yanks to 2½ games.

A month ago, Barber was still looking for his first victory. He had started five games, finished none and was laboring with a sore arm and a 6.63 earned run average.

Now he's 4-4 with two complete games in his last three

starts and a 3.79 ERA. His left arm is healthy again, which is more than can be said for the Yankees' image.

They came into Baltimore on a five-game win streak and left with their heads shaved. Manager Yogi Berra, however, was unruffled.

"We're one game behind (in the loss column) with 98 to play," he purred.

While the Orioles were mistreating New York for the third straight time, the red-hot Los Angeles Angels captured their ninth in a row, nipping Kansas City 4-3, and climbed into a sixth-place tie with the idle Boston. Cleveland overpowered Minnesota 8-1 in the only other AL game scheduled.

St. Louis topped Houston 4-2, Pittsburgh beat the New York Mets 8-1 and San Francisco nipped Los Angeles 2-1 in 13 innings in National League activity.

Barber's scissors slipped once against the Yanks. Joe Pepitone led off the third inning with his ninth homer. But Powell's 16th circuit—his third in the series—and Robinson's eighth, both off loser Jim Bouton, gave Barber all the runs he needed before 36,369 fans, largest Baltimore crowd of the season.

Bob Rodgers' sixth-inning single scored Bob Perry, snapping a 3-3 deadlock at Los Angeles and extending the longest winning streak in Angel history. Fred Newman recorded his fourth straight victory with the aid of Dan Osinski's scoreless three-inning relief stint.

Veterans Jim Persall and Vic Power each delivered runs in the Angels' three-run third inning. Bill Bryan hit a solo homer for the A's, who scored twice in the top of the sixth, to tie it.

Max Alvis crashed his third homer in two games and Jack Kralick won his eighth game in 10 decisions as the Indians cuffed former teammate Mudcat Grant. Kralick collected three hits and combined with reliever Don McMahon for a three-hitter.

Larry Brown also homered for Cleveland and Dick Howser went 3-for-5. The Twins' Bob Allison stretched his hitting string to 15 games with a fourth-inning double.

Minor League

All former Farm League and Little League players are asked to scour their rooms for old uniforms which they have forgotten to return. These uniforms are urgently needed to suit up the Bankers team of the newly organized Minor League. Uniforms may be any color or description and should be returned to Club 314 or to Paul Vardigan at 1704-8th Ave. S. before next Friday.

Cubs To Meet Ishpeming '9' Here Saturday

The Esby Cubs of the Waubung League will play their first exhibition baseball game of the season Saturday at 2 p. m. at the Al Ness Field.

Providing the opposition will be Ishpeming, a power in the Marquette County American Legion baseball league this season.

The Cubs suffered their first setback of the season last Sunday, bowing to Powers-Hermansville by a 4-3 margin. They will return to Waubung action Sunday at Gladstone.

Stable's Chin Question Mark

NEW YORK (AP)—One thing boxing observers used to say about Jose Stable was "Boy, can he take a punch." Now they're not so sure since the Cuban welterweight contender suffered a broken jaw in a gym workout with one Tito Marshall eight months ago.

The 23-year-old Cuban, ranked third among welter contenders and never stopped in 25 pro fights, will have his choppers tested tonight by streaking Vince Shomo of New York in a televised 10-rounder at Madison Square Garden.

Shomo, 24, a former amateur flash who had trouble for a while adjusting to the pro competition, has won five straight and has zoomed to a No. 4 rating. His record is 12-6-1.

Until his jaw was busted for free in the gym, Stable was the hottest guy around in the welter set next to champion Emile Griffith and ex-champ Luis Rodriguez. He had won six in a row and boasted a 22-2-1 record.

There was talk, too, of a title fight with Griffith. It still is possible. Stable will have to win impressively over Shomo and another opponent or two to get back in the running.

Gibbons Signs Two Year Pact

DETROIT (AP)—End Jim Gibbons, who holds the Detroit Lions' pass-catching record, has signed a two-year contract with the team, according to Russ Thomas, Lions' director of player personnel.

Thomas also announced the signing of three draft choices, defensive tackle Steve Barilla of Wichita; offensive tackle Don Hyne of Baldwin-Wallace; and defensive halfback Bruce Zellmer of Winona State.

Yesterday's Stars

By The Associated Press
BATTING — Jerry Lynch, Pirates, hit two home runs and drove in three runs as Pittsburgh belted New York 8-1, defeating the Mets for 11th time in 13 tries.

PITCHING — Steve Barber, Orioles, pitched a three-hitter, striking out nine as Baltimore completed a three-game sweep of the New York Yankees 3-1 and moved 2½ games in front in the American League pennant race.

Stocks To Race At Fairgrounds

The second of a series of stock car races will be staged Sunday, June 28, at the State Fair track with time trials starting at 1 p. m.

The program is sponsored by the Upper Peninsula Stock Car Assn. which is in its fourth year of operation.

A field of over 50 cars is expected to compete. Entries will come from Marquette, Menominee, Champion, Soo, Negaunee, Gwinn, Iron Mountain, Ishpeming and the Escanaba area.

Following the time trials the program will include five heat races in two classes, a semifinal and feature.

Among the local drivers who will tool their stocks at the Fairgrounds oval are Bob and Ken Iverson, Don Benoit, John Nelson, Max Perryman, Tim Runkel, Willard LaMarch, Tom Gafner, Boy Mayou, Sonny Richer, Ray Peterson, Leroy

Sovey, Jerry and Art Richer, John Kroustad and Bill Godfrey.

Among the top drivers from Marquette are Allen and Randy Yelle, Dennis Henderson, Forrest Libby, Merv Stanaway and Marvin Webb. Others include Bill Palm of Negaunee, John Tauminen and Bud Salminen of Champion, Ron Demarce, Andy Kretton and Jim Joggle of Menominee.

Hamms Boosts League Lead

Thursday Results
Hamms 7, No. 3 Mead 2
Bero Motors 5, Flat Rock 4 (8 innings)

Games Tonight
6:45 - Mead 1 vs. Teamsters
8:15 - Hall vs. Skinny's

Hamms tightened its grip on first place in the Escanaba Softball League race Thursday night with a 7-2 triumph over Mead No. 3.

Bero Motors decisioned Flat Rock 5-4 in an eight inning battle in the opener.

The victory was the ninth in 10 starts for the league leading Hamms.

Bill McGovern and J. C. Miller handled the mound chores and Miller aided his own cause with three hits. Levi Young pitched for Mead.

Bero's manager Bill Rodman scored the winning run in the last of the eighth against Flat Rock as a pinch runner for John Fisher. Rodman came in on an error on a throw to third.

Bero's reached Billy Smith for six hits, including two by Ben Yagodzinski.

Jug Bordeau fired a two hitter from the Bero mound.

Harris Shoots 34 At Highland

Jerry Harris fired one of the season's finest rounds at the Highland Golf Club Tuesday night with a sharp 34 in Twilight League play. Harris chipped in with a 37 on the second round.

The Has Beens continued to lead the league with a 4 point bulge over the Pel Meiers.

Low scores for the week were Harris 34-37, Mel Manske, 37-39, Jack and Vial Smith 39, Ed Martinson 40, and Bob Boucher, Lanny Johnston and Ernie LaCrosse 41.

Team Standings: Has Beens 51½, Pel Meiers 47½, Sod Busters 45, Doug's Dubbers 41½, Barney's Beavers 41, Hackers 38½, Run Dums 38½, Free Swingers 38½, Smitty's Smackers 35½, Divot Diggers 28½.

Little League

VFW broke a tie game wide open Thursday with seven runs in the last of the fifth to beat the Eagles 10-3. The Lions meet the Eagles in tonight's action.

Girls Softball

State Bank came up with three runs in the bottom of the seventh to edge Bay de Noc College 15-14 Thursday.

Tebbetts Hopes To Join Club

ANNA MARIA CITY, FLA. (AP)—Birdie Tebbetts, Cleveland Indians manager who has been recuperating from a heart attack at his home, left Thursday for Cleveland with hopes of rejoining the club.

Tebbetts will first undergo a complete physical examination and if permitted by his physicians, will rejoin the Indians immediately.

Russian Netter Quits Wimbledon

WIMBLEDON, England (AP)—Officials at aristocratic Wimbledon, which prides itself on being the world's best-run tournament, were wondering today just what to do if any more Communist players refuse to play with South Africans because of apartheid.

Politics hit Wimbledon tennis for the first time in its 78 years Thursday when Russia's No. 2 player, Alex. Metreveli, scratched from the men's singles after refusing to meet South African Abe Segal in a third-round match because of South Africa's racial policies.

This shock withdrawal was closely followed by Hungarian Istvan Gulyas pulling out of the men's doubles in which he was to have partnered Segal.

Now Wimbledon officials are wondering if another player, Mrs. Suzi Kormoczy of Hungary, will withdraw from the doubles first-round match in which she is scheduled to play with Christiane Mercelis of Belgium against Segal's wife, Heather, and Carol Prosen of Orlando, Fla.

One Wimbledon official said, "To keep political propaganda

out of Wimbledon in the future we should insist that a player can only withdraw if he produces a valid medical certificate."

Russian coach Semyn Belitz-German said: "The decision was entirely up to Metreveli's own conscience. There was no pressure from me or from the tennis association in Moscow."

Politics at Wimbledon saw the exit of the first seed in the women's bracket — seventh-ranked Jan Lehané of Australia. Norma Baylon, the young Argentine star, beat her 6-3, 2-6, 7-5.

Otherwise, all of the seeds, both men and women, who took the courts Thursday came through — though several had some uneasy moments.

These included the holders of the men's and women's titles—Chuck McKinley, of San Antonio, Tex., who was taken to four sets by Denmark's bearded Torben Ulrich, 7-5, 6-3, 2-6, 7-5, and Marge Smith of Australia, who struggled through a marathon first set before beating Mrs. Karen Susman, of San Antonio, Tex., 1962 winner but unseeded this year, 11-9, 6-0.

A KNEESY THROW

Position isn't everything in baseball, as Steve Boros proves in this bit of fast action. Stopping a hard grounder, the Cincinnati third baseman was forced into this kneeling position, from which he fired the ball to second, forcing the runner.

Koufax Reaches Strikeout Mark But Giants Win

By The Associated Press

Sandy Koufax set his record but the 35,930 Candlestick Park fans who saw him do it probably will remember Del Crandall's performance a lot longer.

Koufax has struck out 10 or more batters in a game 54 times before, but how many times has Crandall had four hits in a game?

It was the veteran catcher's fourth safety of the night that broke up a 13-inning oldtime Giant-Dodger donnybrook Thursday night and gave San Francisco a 2-1 squeaker over Los Angeles.

Crandall, acquired from Milwaukee last winter, delivered the key blow in the final inning after hits by Willie Mays and Orlando Cepeda and an intentional walk to Jim Ray Hart had loaded the bases.

Crandall, batting 188 going into the game, cracked his game-ending hit off Nate Oliver's glove as Cepeda scampered across with the winning run.

Four innings earlier, Koufax had broken the mark he shared with Rube Waddell and Bob Feller, by reaching the 10-0-00 more strikeout plateau for the 55th time in his career.

The Dodgers got their first run on Ron Fairly's third home of the year in the seventh. San Francisco tied it on Mays'

Ferrier Missed Big Golf Money

CLEVELAND (AP)—Austrian-born Jim Ferrier, a world golf tourist for a quarter-century, wishes he had had a crack at some of the present-day purses while in his prime.

Now only a year away from the half-century mark, genial Jim figures he could have made a lot of money with the more than 20 tournaments he has won since 1944. He picked up only \$3,500 as first prize for winning the PGA Championship in 1947, but last year Jack Nicklaus received \$13,000 for the same chore.

Ferrier, who didn't help his hopes or financial situation Thursday with an opening 76 in the \$100,000 Cleveland Open—only six of the field of 159 finished back of him—sees a big fiscal future for the golfing great.

"Practically every tournament is worth \$50,000 or more these days," he said. "In 1953 the total purses were \$562,000 and last year they were over \$2 million and they'll go on up."

"In the first America tournament I entered about 1940, the total purse was \$3,500 and the winner got \$850. The winner of this Cleveland meet gets \$20,000."

Jim said golf had been good to him, about \$160,000 in the last 15 years but will be better for the crop of youngsters now getting into the act.

The tourist put on quite a show Thursday in the opening round here and old man par-his 71—took a beating. Sixty-three of the 159 starters broke par, 22 others matched it, and only one amateur soared as high as 80.

Al Geilberger, the 26-year-old Californian, birdied six of the last 10 holes to take the lead with a 64 over the 5,821-yard par-71 Highland Park municipal

HEAT WAVE—One gets a new insight into the term "heat wave" as he looks at this center line squiggle its way down the Via del Tritone in Rome. The "staggering" heat melted the road surface and passing cars distorted the line.

Sportsmen Will Join Legion In July 4th Plans

HERMANSVILLE—The Hermansville Sportsmen Club devoted a special meeting at Rodman's dining room Tuesday evening to July 4th celebration plans in the village. The club will join Leo Floriano American Legion Post in joint observance of the celebration. Various committees from the Sportsmen Club and Legion have met and the club members were brought up to date on the celebration plans. The Homecoming dance will be held July 3 at Camp Seven American Legion Club rooms. July 4th plans will include a parade, various races and events for the children, numerous stands on the main street and other events. It was announced at the meeting that Joe Lovachick of the U. S. Fish and Wildlife Service at Lake Mills, Wis., delivered 8,000 bluegill and 3,000 bass fingerlings to the Hermansville Lake Friday morning. Various work bees have been held at the Hermansville Lake with the area cleared of debris. President Paquin appointed a committee to investigate the location of the rifle range and the committee will work on this after the July 4th activities.

Little League

Hermansville Little Leaguers defeated the Norway Twins 8-7 on the local diamond Wednesday evening before another large crowd. This was Hermansville's second win over the Twins this season. George Maule started for Hermansville on the mound, went four innings and then Tim McClure finished and got credit for the victory. Pearson was charged for the loss for the Twins. Dennis Gustafson big two bagger in the 6th inning with two mates abroad was the big factor for Hermansville. This was Gustafson's second two bagger of the game. Tim McClure had three singles in four trips to the plate. Peterson for Norway had a home run, double and two singles for perfect day at the plate. Hermansville now has an 8-1 record and leads the Iron Mountain Little League Eastern Division.

Mrs. Ivan Furlick and son Tony of Milwaukee spent a few days visiting with Mr. and Mrs. Nick Furlick.

Nick Miketnac, Green Bay, visited his mother, Mrs. Rose Miketnac.

Mr. and Mrs. Howard Maves of Flint visited for several days with his brother-in-law and sister, Mr. and Mrs. George Farley Sr. Other visitors at the Farley home were their son and daughter-in-law, Mr. and Mrs. George Farley Jr. and family of Green Bay.

Dale Ayotte, son of Mr. and Mrs. Ernest Ayotte, is receiving basic training with the Air Corps at Amarillo, Tex.

Mr. and Mrs. Edward Loh of Marquette visited at their home here.

Steve, Harry and Val Urlick have returned to Argo, Ill., after visiting at their cottage several days.

Mr. and Mrs. Daniel Wind of Chicago visited several days with Mr. and Mrs. Oliver Wood.

Mr. and Mrs. George LaCouriere and daughter of Detroit are visiting with relatives in Powers-Spalding and Hermansville.

Howard LaCasse and family of Neenah visited his mother, Mrs. Gabriel LaCasse, and with other relatives.

Mrs. Donald Pintar and family of Milwaukee are spending several days with her mother, Mrs. Glosie Dani.

LEGAL NOTICES

The Board of Road Commissioners of the County of Delta will receive Bid Proposals until 10:00 o'clock, A. M., E. S. T., July 13, 1964, at the office, Box 288, Escanaba, Michigan 49829 for the below listed item:

Season's Requirements of Structural Steel for the County of Delta. Specification: A. S. T. M. Designation: A36-60T. The Board of Road Commissioners reserves the right to waive defects or reject any or all bids in the best interest of the County.

The Board of County Road Commissioners of the County of Delta. By Elmer Klavell, Chairman, Earl Paquin, Commissioner, Hilding Norstrom, Commissioner. 16557-June 23, 26, 30

June 12, 1964 June 26, 1964 STATE OF MICHIGAN File No. 13327 The Probate Court for the County of Delta.

In the Matter of the Estate of Charles Ellis Good, Deceased. At a session of said Court, held on June 4, A. D. 1964.

Present, Honorable Marie D. Peters, Judge of Probate. Notice is Hereby Given, That the petition of the Union National Bank of Marquette, Michigan, and John Zimmermann of Ironwood, Michigan, the executors of said estate, praying that their final account be allowed the residue of said estate assigned to the persons entitled thereto, will be heard at the Probate Court on July 7, A. D. 1964, at ten A. M.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Escanaba Daily Press, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by certified mail (with proof of mailing), or by personal service, at least fourteen (14) days prior to such hearing.

Jobless Youth Advisor Training Forms Are Here

James Damitz manager of the Escanaba Branch Office of the Michigan Employment Security Commission announced today that application forms and information booklets are available at his office for those interested in applying for training as counselors and youth advisors in the nation-wide crash program against youth unemployment.

Thomas Roumell, Director of the M.E.S.C., has announced Michigan's total cooperation with the Department of Labor in this phase of the war against poverty, in assisting unemployed youth with their job problems.

"He has underlined the urgent need to recruit qualified applicants to be trained as counselor aides and youth advisors, as soon as possible, in order that they may be tested and screened in the local office on Saturday, June 27," Damitz said.

"The youth selected will be given special instruction in counseling, advising and working with disadvantaged youth," he continued.

"To qualify as potential counselor aides, an applicant must be a college graduate, preferably in counseling, psychology, social work, education, sociology or related fields.

"Applicants for youth advisor positions need not be college graduates, but must be over 21 and all applicants must possess the interest, special aptitudes, motivation and dedication necessary for this type of work," continued Damitz.

Applicants who are chosen in Michigan will be given 8 to 10 weeks of concentrated instruction in Wayne State University between July 13 and Sept. 15.

Anyone interested must contact the Local office at 305 Ludington St., before Saturday in order to complete application and make arrangements to take the test.

New York City's Grant's Tomb was built by popular subscription, with some 90,000 citizens participating.

Granny Leaving Jail Cell Today

MANISTIQUE — Mrs. Fred Lorenz, 60-year-old grandmother who entered the Schoolcraft County Jail on Tuesday to serve a 10-day sentence rather than pay a \$50 fine, was to be released this afternoon.

Friends were to pay the fine, levied because she threatened with a .22 caliber rifle a highway crew which was attempting to remove a highway sign from in front of the Lorenz gas station and grocery on M-47 at Germfask on June 17.

Tomorrow Mrs. Lorenz hopes to go to Iron Mountain and confer with Gov. George Romney, who will be addressing a Republican party workers conference at the armory there in the morning.

She will ask the aid of the Governor in the effort to prevent removal of signs that highway businesses regard as vital to their survival. The governor's office informed local officials that Governor Romney has inquired of other states' experience with the Federal Bureau of Roads demand for removal of highway signs and will probably call a state conference on the subject if his inquiries indicate the usefulness of such a gathering.

Mrs. Lorenz was visited in her jail cell Wednesday night by her husband and her 4-year-old granddaughter, who had been told that grandmother was going to a hospital. The little girl, surveying the jail cell said "Grandma, it doesn't look like a hospital!"

Mrs. Lorenz has crocheted four dollies since entering the jail Tuesday.

Mental Health Meet Saturday

A three county meeting on mental health will be held in the House of Ludington from 10 to 3 Saturday by the U. P. Mental Health Planning Committee, which was formed last fall to implement federal and state legislation on mental health services in the U. P.

The purpose of the meeting will be to review mental health services in Menominee, Delta and Schoolcraft counties. Dr. Richard O'Dell of Northern Michigan University is chairman of the committee; Mrs. Nancy Scott, Sault Ste. Marie, is coordinator of the work in the Upper Peninsula for the Michigan Department of Mental Health, and John A. Lemmer of Escanaba is regional chairman.

Bureau Committee Meets In L'Anse

BARK RIVER — Baraga County Farm Bureaus hosted the annual District 11 Farm Bureau Women's Committee meeting in the Town Hall in L'Anse, Tuesday, June 23. Mrs. Robert Baucus, Houghton Co., was re-elected chairman; Mrs. Chester Good, Menominee Co., was elected vice-chairman and secretary - treasurer will be Mrs. Terry Tikkinen of Houghton Co. Speaker at the conference was Mrs. James Westphal, Lansing, whose topic was "Michigan's Traffic Accident Situation". The 1965 meeting will be hosted by Houghton County. Attending from Menominee Co. were Mesdames Chester Good, Wayne Hooker, Clem Ouradnik, Edward Gurosh and Ray Kuharski of the Toad Creek Farm Bureau, Mrs. John J. Kleiman of the Pioneer group and Mesdames Sam Dragick, Kenneth Corey and Edward Sager, all of Stephenson.

Board Meeting Held At Carney

BARK RIVER — The Menominee County Farm Bureau Board meeting was held Tuesday evening at the Orin Ber to home in Carney. Other board members present were Mrs. Chester Good, Rte. 2, Bark River; Frank Grinstein and Elving Thorpe of Stephenson, David Crandall, Carney, Elmer Veese, Powers; Harold Fries, Mr. and Mrs. Roy Rasmussen, Wallace; Mrs. Lyle Wilson and daughter, Sue, of Stephenson; Mr. and Mrs. Elmer Busick, Daggett, and Hugo Kivi, Escanaba, U. P. regional co-ordinator. Mrs. Busick is the bureau's county secretary. Miss Wilson was crowned Menominee County Farm Bureau queen by the county chairman, Mrs. Chester Good, and will represent the county farm bureaus at Marquette in July where she will compete for the Farm Bureau title.

MISS JOANNE F. STAFFORD has accepted a position in the Children's Unit Service, Social Service Department at Newberry State Hospital. Before attending Western Michigan University, Kalamazoo, where she received her B.A. Degree, Miss Stafford attended Michigan Tech Branch in Sault Ste. Marie. She is the daughter of Mrs. Ella Stafford, 1436 14th St., Sault Ste. Marie.

Auto Collision Takes 7 Lives; One Badly Hurt

BOSWELL, Okla. (AP) — A head-on collision between two cars early today killed seven persons and critically injured an eighth.

Highway patrolmen said the accident occurred two miles west of Boswell on U.S. 70, in the Lake Texoma area.

Dead on arrival at a Durant, Okla., hospital were, C. R. Brackett Jr., driver of one car, and his passengers, Glenn Russey and F. M. Mack McMenamy; and Mabel B. Newton, 30, driver of the second car; her husband Raymond A. Newton, 31, and their two daughters, aged 11 and 5.

The Newtons were from Russellville, Ga.

In critical condition was a woman passenger with the Newtons, Vassie T. Johnson, 20.

Officers said Mrs. Newton apparently dozed at the wheel and swung across the highway dividing line into the path of the Brackett car.

Peninsula Potpourri

CRYSTAL FALLS — The annual Bass Festival, a summer highlight in the Crystal Falls area, will be held July 12 at Runkle park.

The festival will be the concluding event of a ten-day Iron County Summer Festival. The county-wide celebration begins with the observance of the Alpha 50th Jubilee and the Iron county fireman's tournament. Highlight of the day's activities will be the annual Wop-Swede softball game.

Sir Winston, 89, Quits Politics

LONDON (AP) — Sir Winston Churchill isn't going to become the first honorary life member of Parliament.

Members of the House of Commons have abandoned a plan for the unique tribute to the 89-year-old statesman, as he has announced he will not stand for re-election this fall. Tradition proved too strong to get the idea through.

Instead Churchill probably will be honored by a special resolution.

Newberry Woman Announces Doctor's Wife For Legislature

Mrs. Marion Gibson, wife of Dr. Robert E. Gibson of Newberry, today announced her candidacy for representative in the new 107th Michigan Representative District which includes Delta County.

The district also includes Schoolcraft, Luce and Chippewa counties, or parts of them. Delta at present composes a representative district itself and is represented in the Legislature by Rep. Einar Erlandson (D-Escanaba).

Mrs. Gibson, a medical technician, is a native of Detroit and a graduate of Wayne State University. She is president of the Newberry Public Schools Board of Education and a director of the Michigan Association of School Boards, served 6 years on the state board of directors of the Business & Professional Womens Clubs and has been active in civic and political affairs in the Luce County area since her husband went to Newberry to practice medicine.

They have two sons, Dr. Robert Gibson, finishing his internship today at Hurley Hospital, Flint and going into the Army Medical Corps, and James a graduate of Wayne in physics.

First Lady Has Restful Day At Mackinac Isle

(Continued from Page 1)

Williams, wife of a former governor of Michigan who now is assistant secretary of state for African affairs, was the hostess for the dinner for 12 at her summer home. The guest list included Mrs. Neil Staebler, wife of Michigan's Democratic Congressman-at-large who is a candidate for governor.

Also Miss Adalade Hart, vice-chairman of the Democratic State Central Committee and Mrs. Sanford Brown, wife of the state treasurer.

Mrs. Staebler had traveled from Washington with Mrs. Johnson and joined in most of the activities on the First Lady's three-day Michigan schedule.

As Mrs. Johnson drove home to retire shortly after 10 p.m. she was followed by her ever-present Secret Service escort. But, this time, they clip-clopped after her in the island's ancient means of transportation — the horse drawn carriage with a fringed top.

Mrs. Johnson planned to visit the island's historic old Fort Mackinac today, then take a chartered launch to Mackinac City. From there she was to drive by car to Pellston and board a 3 p.m. North Central Airlines plane for Detroit's Willow Run Airport.

She was to arrive there at 4:52 p.m. and to join the president either directly at Detroit Metropolitan Airport, if their time schedules coincide, or at the Sheraton-Cadillac in downtown Detroit, where the Johnsons are to stay.

Mexicans View Soviet Plants

MOSCOW (AP) — An 18-member Mexican mission ends a two-week tour of Soviet industrial facilities Saturday and indicates it will recommend increased purchases of Soviet industrial equipment.

The mission, which also visited Yugoslavia, Czechoslovakia and Poland, included specialists in oil and petrochemical industries, mining, machine tools, building equipment, agricultural machinery, electric power and railroads.

Mike Kauthen Of Garden Dies

Michael Kauthen, 86, of Garden, died at 6:30 a.m. Friday at the Pinecrest Medical Care Facility at Powers where he had been a patient for the past two weeks. He had been in ill health for the past three years.

Born May 23, 1878 in Garden, he spent his entire life there. He married the former Blondina Giusains in Garden, 55 years ago. A member of St. John the Baptist Church of Garden, he was a farmer and woodworker.

He is survived by his wife, two sons, William of Detroit and Edward of Wayne, Mich., one daughter, Mrs. Jack (Adell) LaCost, Garden; and one brother, Ray Kauthen, Lake Linden; and two sisters, Mrs. Lillian Armstrong, Escanaba; and Mrs. Edna Lewis, Manistique; 13 grandchildren and 13 great grandchildren.

Friends may call at the Messier-Broulliere Funeral Home in Garden, beginning at 2 p.m. Sunday. Liturgical prayers will be recited Sunday at 8 p.m. and funeral services will be held Monday, 10 a.m. at St. John the Baptist Church with Father James Donnelly officiating. Burial will be in the new Garden Cemetery.

First Meeting Of Series At Bark River

BARK RIVER — The Menominee County Farm Bureau Womens Committee is sponsoring a series of meetings on government and politics the first of which will be held Monday, June 29, in the multipurpose room of the Bark River-Harris Elementary School, at 8 p.m.

The meeting will be opened by the Menominee County Womens Committee chairman, Mrs. Chester Good, Rte. 2, Bark River and vice-chairman, Mrs. Wayne Hooker, Wilson. Speakers will be Paul Blewett, Math and Science teacher at the Bark River-Harris High School and Raymond Gardipee, Social Science instructor at the school.

The meeting is open to all interested persons from the Bark River-Harris and surrounding areas and is strictly non-partisan. The sponsors hope that all who wish to become better informed about their government and are interested in local, state and federal government will attend. Future programs will depend on the desires and needs of those who attend and an attempt will be made to supply them with the subjects and information they wish.

Mr. and Mrs. John Peltier and family of Flint spent the past week with the former's parents, Mr. and Mrs. William Peltier.

Miss Leontine Johnson arrived Tuesday from Seattle, Wash., for a vacation visit with her sister and brother-in-law, Mr. and Mrs. Albert E. Johnson.

Mr. and Mrs. Casper Bartley and children of Milwaukee visited at the Roy Bergman home. Mrs. Bartley was formerly Catherine Bergman.

Guests at the Ben Douglas home last weekend were Mr. and Mrs. Richard Douglas and three daughters of Milwaukee.

Rev. and Mrs. David Lennon of Ramsey were guests at the Clifford Olson home Saturday. Ruthann Olson and Nancy Nordin returned with them from Ramsey where they had been assisting with vacation Bible School at the Riverside Bible Church.

The wolf is almost extinct in the 48 contiguous states. It survives in appreciable numbers only in Alaska and parts of Canada.

Swimmers Urged To Use Beach

Police Chief Harold Finman urges parents to be sure their children keep away from unauthorized water areas and old docks unless accompanied by adults.

With school out and fine weather in, more and more children want to go swimming. The place for them is at the beach where there is adult supervision and swimming lessons, not in dangerous waters where no one can help them if there's trouble, says Chief Finman.

Police have been getting calls about children playing near the

old ore docks and C. Reiss Coal Co. dock, and getting themselves into situations which could be injurious and even fatal.

On Tuesday Coast Guardsmen were called to rescue two youngsters on raft who had drifted out to the old ore dock cribs and couldn't get back. There have been several other such incidents.

The bathing beach is open now and all parents are urged by Chief Finman to give their children an opportunity to learn to swim in an authorized area with adult supervision. Lessons for Escanaba area children are Monday, Wednesday, and Fridays from 10 a.m. to noon, and for outlying areas, Tuesdays and Thursdays, at the same times, starting July 6.

Finman is also urging all who ride bicycles to ride carefully and not take any chances, it doesn't pay. Whether at the beach or downtown, all bikes and valuables should be locked when not in use. Complaints to police have started about bicycles and other valuables being taken.

Water Skiers Prepare Show

The Escanaba Aqua Nuts Water Ski Club is busily preparing for its first organized performance of the season in July 4. Tom Gasman, president of the club, says the show will be held at the Municipal Dock from 2 to 4:30 p.m.

Children attending the performance will be given beach balls as a memento.

The Aqua Nuts organized last year and since that time have delighted hundreds of visitors who watch them practice each day at the dock. This year the girls in the club will wear matching yellow swim suits and the men will wear black trunks to add to the glamor.

About 20 members have been selected to perform at the show which will include: the parasail, a new device purchased this year; double skiers, backward and barefoot skiing; five and three men pyramids; jumping; clown acts and many one-ski acts.

The first water ski show was presented last August and this year the club has developed new acts and added talents.

Plane Landed On Antarctica

WASHINGTON (AP) — The Navy reported today that the transport plane sent on a mid-winter flight to Antarctica to evacuate an injured Seabee took off from McMurdo Sound at 6:35 a.m. on the return flight.

CHRISTCHURCH, New Zealand (AP) — A U.S. Navy transport plane landed at McMurdo Sound today after the first mid-winter flight in history to the dark Antarctic. It went to get an injured Seabee.

The four-engine transport put down at the main American Antarctic base after a flight of 8 hours and 25 minutes from Christchurch. It radioed that conditions were ideal, with visibility of 15 miles and the temperature zero.

As the plane left on its 2,400-mile mercy mission, a Navy operations officer, Cmdr. Daniel Balish of Scranton, Pa., said of the flight: "It is an unusual one, but there is no concern. We have made detailed plans to eliminate every possible risk."

Clevenger Has Kind Words For His Foe Bradley

Ray Clevenger, former state corporation and securities commissioner, told a Chippewa County meeting of his Clevenger for Congress Committee that a Democratic primary can help insure a better future in Upper Michigan.

"A primary contest with Russ Bradley will ensure full and worthwhile attention to the sad state of affairs caused by the failure of the Republican congressmen to represent us properly."

"Knowing Bradley for the able and conscientious person he is, I am sure we will both be talking about solving this area's problems in a positive way. This will result not only in a stronger Democratic Party after the primary, but it will mean that another who is dedicated to the public interest in the district will be pleading the case for the people of the area."

"Because I believe a full discussion of issues is more important than a campaign based on personalities, I welcome Bradley's entry into this race," Clevenger said.

Russell Bradley, Menominee County prosecutor, this week announced his candidacy for 11th District nomination on the Democratic ticket for Congress, as did Atty. Theodore G. Albert of Ironwood.

Major News Has Run Of Johnsons

NEW YORK (AP) — A visitor from abroad would have good reason to believe that the Johnsons have taken over the country.

By reading a newspaper this week, he could have learned that President Lyndon B. Johnson appointed U. Alexis Johnson deputy ambassador to South Viet Nam, named Lt. Gen. Harold K. Johnson as Army chief of staff and held a telephone conference with Gov. Paul Johnson of Mississippi.
